The weather has been great for Yoga in the Park offered once a month by local instructor, Kat. We average 5-10 people per class. We are now large enough to host a Food Truck every Friday! We have a large rotation of trucks and great support from the community to hold this program every week in the park. NRR rang in the new year a little early for the little ones! We had over 200 residents of all ages in attendance. Everyone enjoyed the breakfast food trucks, a bounce house, glitter tattoos and we counted down to NOON with an apple juice toast and balloon drop!

REQUEST	JUSTIFICATION
Bike Quarterly Maintenance	As the bikes are used and more are incoming, quarterly maintenance needs to be implemented to ensure safety.
Large Battery Operated Fans	To be used at Brightwood FitPod to provide safer environment for the fitness classes that take place in direct sunlight due to no shade structure.
Squat Rack with Plates	We have a very active neighborhood and a fitness center that is heavily used. Residents have recently been requesting we invest in more equipment. A squat rack with plates is a versatile training tool for every level.
