ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved the Consent Agenda, Items 1 - 33.

SECOND ORDER OF BUSINESS

Business Matters

Consideration of Resolution 2024-08, Ratifying Sale of Series 2023A Bonds

Mr. Johnson reviewed Resolution 2024-08 and Resolution 2024-09 for the Board.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board approved Resolution 2024-08, Ratifying Sale of Series 2023A Bonds.

Consideration of Resolution 2024-09, Ratifying Sale of Series 2023B Bonds

ON MOTION by Ms. Snow, seconded by Mr. Williams, with all in favor, the Board approved Resolution 2024-09, Ratifying Sale of Series 2023B Bonds.

Consideration of Disclosure of Public Financing Series 2023A & B Bonds

Mr. Johnson explained that this is a standard document required by Statute to disclose the issuance of the Bonds and this recorded with the county of jurisdiction of the Public Financing Series 2023A & B Bonds available to the public.

ON MOTION by Mr. Williams, seconded by Mr. Blakley, with all in favor, the Board approved the Disclosure of Public Financing Series 2023A&B Bonds.

Consideration of Woodruff & Sons Change Order No. 9 for Fort Hamer Road 2nd Extension

Mr. Engel explained that an amount of \$670,188.75 would be deducted from the contract.

ON MOTION by Mr. Weidemiller, seconded by Mr. Williams, with all in favor, the Board approved the Woodruff & Sons Change Order No. 9 for Fort Hamer Road 2nd Extension.

Consideration of RIPA & Associates Change Order No. 1 for Phase 2 - Master Infrastructure

Mr. Engel explained that an amount of \$285,847.00 would be deducted from the contract.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved the RIPA & Associates Change Order No. 1 for Phase 2 - Master Infrastructure.

Discussion Regarding Woodruff & Sons Agreement for Ft. Hamer 2nd Lift

Mr. Panasenya mentioned that there would be a change in the service provider that will complete the project. He mentioned that there would be a deduction from their contract of \$161,774.06.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board approved to void the proposal from May 31, 2023, in the amount of \$161,774.06 to Woodruff & Sons for the Ft. Hamer 2nd Lift.

Consideration of FAC Proposal for Fort Hamer 2nd Lift

This item will be replacing the previously voided contract with Woodruff & Sons. The contract totals \$229,652.98.

ON MOTION by Ms. Snow, seconded by Mr. Williams, with all in favor, the Board approved the FAC Proposal for Fort Hamer 2nd Lift.

Consideration Steadfast Landscaping Proposal for Yellow Brick Park

It was stated that this is for common area landscaping for Longmeadow Park, Steadfast had bid with \$120,446.00.

ON MOTION by Ms. Snow, seconded by Mr. Leinaweaver, with all in favor, the Board approved the Steadfast Landscaping Proposal for Yellow Brick Park.

Consideration of RIPA & Associates Change Order No. 1 for Phase IV-F Roads & Utilities

Mr. Engel noted that this is replacing a stockpile area; this is considered dirt management with an increase of \$323,472.00.

ON MOTION by Mr. Leinaweaver, seconded by Mr. Williams, with all in favor, the Board approved the RIPA & Associates Change Order No. 1 for Phase IV-F Roads & Utilities.

**Consideration of RIPA & Associates
Change Order No. 2 for Phase IV-F Roads
& Utilities**

Mr. Engel stated there would be a decrease in the amount of \$2,808,334.06 with the deduction of materials and labor.

ON MOTION by Mr. Williams, seconded by Mr. Blakley, with all in favor, the Board approved the RIPA & Associates Change Order No. 2 for Phase IV-F Roads & Utilities.

THIRD ORDER OF BUSINESS

Other Business

Staff Reports

District Counsel – Mr. Johnson stated that there will be continuing education for the Board to be completed by the end of 2024. Ms. Carvalho will send an email to the Board with the information the Kutak Rock put together. He also provided an update of the legislative boundary amendment which was passed by the committee.

District Engineer – No report.

District Manager – Ms. Carvalho stated that the District will begin to construct the FY 2025 budget with the proposed budget being presented at the May 2024 meeting.

Field Manager – Mr. Williams asked a question concerning the tick and flea treatment's cost and how long it lasts. There was also comment about the abnormal wear and tear considering the low population in the assets for the community. Lengthy discussion ensued. It was stated that the community is getting close to 1,000 roof tops sold.

Lifestyle Manager – No report.

Audience Comments and Supervisor Requests

There were no further comments at this time.

FOURTH ORDER OF BUSINESS

Adjournment

ON MOTION by Mr. Leinaweaver, seconded by Mr. Blakley, with all in favor, the February 14, 2024, Board of Supervisor's Meeting for the North River Ranch Improvement Stewardship District was adjourned at 1:38 p.m.

Account #	Proposal Prepared By:	Floyd Wyatt
	Type Of Work	Enhancement

Steadfast proposes to furnish all labor, materials, equipment and supervision necessary to construct, as an independent contractor, the following described work:

Description	Qty	Unit Price	Amount
The proposal is for the Beach Sunflower install of the 3- median islands in front of the community near the new Publix.		0.00	0.00
Plant material- it will take 2,000 1-gallon beach sunflowers to fill in this area. Charles approved photo of plant material.	2,000	9.00	18,000.00
Irrigation Labor- The current drip lines will need to be re-routed to accommodate the new plants being installed- we will be able to use existing drip line it just needs to be re-configured. IMPORTANT- existing irrigation company will need to manage water after plant install- we will set it to run everyday for the first 2-weeks- after that will need to be adjusted to 4 X per week- we can assist in anyway needed.	15	85.00	1,275.00
Scope of work- to level tips of islands, remove existing turf/weeds and add river rock to tips to match existing islands. This will include loading and trucking rock from onsite where rock is located and installing in tips of islands- i will need to know where rock is located.	17	50.00	850.00

Acquisition Agreement with Pulte Homes

**AGREEMENT REGARDING THE ACQUISITION OF CERTAIN
WORK PRODUCT AND INFRASTRUCTURE
(SERIES _____ PROJECT)**

This Agreement (“Agreement”) is made and entered into as of this ____ day of _____, _____ by and between:

NORTH RIVER RANCH IMPROVEMENT STEWARDSHIP DISTRICT, a local unit of special-purpose government established pursuant to Chapter 2020-191, Laws of Florida, and located in Manatee County, Florida, with a mailing address of 3501 Quadrangle Boulevard, Suite 270, Orlando, Florida 32817 (the “**District**”); and

PULTE HOME COMPANY, LLC, a Michigan limited liability company, and owner of lands within the boundaries of the District, whose address is 3350 Peachtree Road Northeast, Suite 1500, Atlanta, Georgia 30326, its successors and assigns (the “**Developer**”); and

Is acknowledged and agreed to by:

FORTRESS INVESTORS MANAGEMENT, a Florida limited liability company and owner of lands within the boundaries of the District, whose address is 5800 Lakewood Ranch Blvd., Sarasota, Florida 34240, its successors and assigns (the “**Master Developer**”); and

HAVAL FARMS, LLC, a Florida limited liability company and owner of lands within the boundaries of the District, whose address is 5800 Lakewood Ranch Blvd., Sarasota, Florida 34240, its successors and assigns (the “**Landowner**”).

RECITALS

WHEREAS, the District is a special district which was established to plan, construct, install, acquire, finance, manage and operate public improvements and community facilities for lands including the Development; and

WHEREAS, the Developer is purchasing from the Landowner certain property (“**Property**”) described in **Exhibit C** attached hereto as a residential development; and

WHEREAS, the Developer intends to have constructed as part of its “**Project**” benefitting the Property (1) stormwater improvements, and (2) water, sewer and reclaim utilities (items (1) and (2) together, “**Improvements**”), as well as (3) related work product (e.g., engineering, surveys, reports, drawings, plans, permits, specifications and related documents) (item (3), “**Work Product**”); and

WHEREAS, the Developer desires to have the District acquire and finance the Project through the issuance of tax-exempt bonds (“**Bonds**”) and levy of debt assessments on the Property, on the terms described herein; and

WHEREAS, the District is agreeable to issuing the Bonds in order to finance the Project, and acquiring the Work Product and Improvements, on the terms set forth herein.

NOW, THEREFORE, in consideration of the mutual understandings and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the District and Developer agree as follows:

SECTION 1. GENERAL. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. WORK PRODUCT.

- A. **COST.** The District agrees to pay the actual reasonable cost incurred by Developer in preparation of the Work Product in accordance with the provisions of this Agreement. The Developer agrees any and all administrative and/or management fees are specifically excluded from this Agreement, and to the extent such fees may arise, the Developer acknowledges sole responsibility for any such fees. Developer shall provide copies of invoices, bills, receipts or other evidence of costs incurred by Developer for the Work Product and any other documents requested by the District in accordance with the checklist attached hereto and incorporated as **Exhibit B**. The Parties agree to cooperate and use good faith best efforts to undertake and complete the acquisition process contemplated by this Agreement at or shortly after the closing on the District’s proposed Bonds or such other date as the Parties may jointly agree upon in writing (the “**Acquisition Date**”). The Parties agree that separate or multiple Acquisition Dates may be established for any portion of the acquisitions contemplated by this Agreement, whether in Section 2 or any other section of this Agreement. The District Engineer shall review all evidence of cost and shall present to the District Board, or the Chairman serving as the designee for the Board, for consideration the total actual amount of cost, which in the District Engineer’s sole opinion, is reasonable for the Work Product. The District Engineer’s opinion as to cost shall be set forth in an Engineer’s Certificate which shall accompany the requisition for the funds from the District’s Trustee. In the event that the Developer disputes the District Engineer’s opinion as to cost, the Parties agree to use good faith best efforts to resolve such dispute. If the Parties are unable to resolve any such dispute, the Parties agree to jointly select a third party engineer whose decision as to any such dispute shall be binding upon the Parties. Such a decision by a third party engineer shall be set forth in an Engineer’s Affidavit which shall accompany the requisition for the funds from the District’s Trustee. The Work Product is

being acquired for use by the District in connection with the construction of the Improvements.

- B. **CONVEYANCE AND ACCEPTANCE.** The Developer agrees to convey to the District the Work Product upon payment of the sums determined to be reasonable by the District Engineer and approved by the Board as set forth in Section 2A above.
- C. **RELEASE AND ACCEPTANCE.** Developer agrees to release to the District all right, title and interest which the Developer may have in and to the above described Work Product, as well as all common law, statutory and other reserved rights, including all copyrights therein and extensions and renewals thereof under United States Law and throughout the world and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums and media, now known or hereinafter devised. Developer shall obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. Such releases may include, but are not limited to, any architectural, engineering, or other professional services. Such releases shall be provided prior to the acquisition of any portion of the Work Product covered by the release.
- D. **USE AND RELIANCE.** Developer acknowledges the District's right to use and rely upon the Work Product for any and all purposes.
- E. **INDEMNIFICATION.** Developer hereby agrees to provide to the District, at or prior to the Acquisition Date, indemnification in a scope and form acceptable to the District which indemnification may be provided by assignment or directly from a third party provider of some or all of the Work Product.
- F. **WARRANTY.** Developer agrees to warrant that the Work Product is fit for the purposes to which it will be put by the District including but not limited to the construction, installation, and operation and/or maintenance of the Improvements as contemplated by the District Engineer's Report; provided, however, that Developer may provide such a warranty from a third party acceptable to the District.
- G. **ACCESS.** The District agrees to allow Developer access to and use of the Work Product without the payment of any fee by Developer. However, to the extent Developer's access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, Developer agrees to pay such cost or expense.

SECTION 3. ACQUISITION OF IMPROVEMENTS. The District agrees to acquire those portions of the Improvements which have been commenced or completed prior to the

issuance of the Bonds. Payment for the Work Product and the Improvements described in and contemplated by this Agreement shall be payable solely from the proceeds of the Bonds available for that purpose at the times and in the manner provided in the Supplemental Trust Indenture for the Bonds. The Developer shall be obligated to construct and complete the Improvements, and to convey the same and any real property, all as provided by this Agreement, regardless of whether the proceeds of the Bonds for that purpose under the Supplemental Trust Indenture are available to pay the applicable acquisition price. Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as warranty bills of sale or such other instruments as may be requested by the District, and (iii) any other releases, indemnifications or documentation as may be reasonably requested by the District. Each of the Improvements, or any portion thereof, shall be complete prior to any acquisition by the District in the sole determination of the District. Completeness may include, but is not limited to, all releases of liens from contractors, subcontractors and suppliers, sign-offs by permitting or regulatory agencies or other evidence of completion as determined by the District. The Developer agrees to pay the cost and cooperate fully in the transfer of any permits to the District or a governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement. To the extent there is a delay in the conveyance of certain Improvements between the District and the governmental entity, Developer agrees to indemnify and hold the District harmless for any damage or repairs that may be required to such Improvements. Developer agrees to repair and remediate any such damage to the satisfaction of the governmental entity. Developer shall remain responsible for completion of all required permits, certifications or other approvals necessary to convey the Improvements to the governmental entity and shall provide copies of such documents to the District when received. Developer further acknowledges and agrees that any costs associated with work by District staff to process the acquisitions contemplated by this Agreement shall be paid by requisition from available construction funds. If no construction funds are available, Developer agrees to pay such costs per this Agreement. Developer further authorizes the District Board to approve such requisitions for payment.

SECTION 4. ACQUISITION OF REAL PROPERTY.

- A. The District agrees to accept dedication or conveyance of appropriate interests in real property over which the Improvements have been or will be constructed at or prior to the time that such Improvements are completed. Developer agrees to provide to the District the following: (i) appropriate special warranty deeds or other instruments conveying interests in real property acceptable to the District, and (ii) legal descriptions, whether by metes and bounds or other reference to plats or recorded data to the satisfaction of the District. Developer and the District agree that reasonable future adjustments to the legal descriptions may be made in order to accurately describe the interest in lands conveyed to the District. The Parties agree to cooperate and act in good faith in relation to any such adjustment(s) to legal descriptions. The Parties agree that any land transfers made to accommodate such adjustments shall be accomplished by donation. However, the Developer shall pay any transaction costs resulting from the adjustment, including but not limited

to taxes, title insurance, recording fees or other costs. The District may, in its discretion, require title insurance on any real property conveyed pursuant to this Agreement, which cost shall be borne by the Developer. Developer agrees that it has, or shall provide, good and marketable title to any real property to be acquired which shall be free from all liens and encumbrances. In the event a title search reveals exceptions to title which render title unmarketable or which, in the District's reasonable discretion, would materially interfere with the District's use of such real property, the Developer shall cure such defects at no expense to the District.

- B. The Developer agrees to coordinate the conveyance of any real property and/or Improvements initially conveyed to the District which is ultimately to be owned, operated and/or maintained by another government entity. Notwithstanding the foregoing, the District shall use its best efforts to assist the Developer to effectuate any such conveyance.
- C. Developer agrees to indemnify and hold the District harmless from any and all claims, demands, liabilities, judgments, costs, or other actions which may be brought against or imposed upon the District as a result of Developer's failure, whether intentional, negligent or otherwise, to comply with the terms of this section, including but not limited to its obligation to coordinate the further conveyance of real property and/or Improvements to other third party government entities.

SECTION 5. ACQUISITION IN ADVANCE OF RECEIPT OF PROCEEDS. The Developer and District acknowledge that various regulatory and permitting requirements may necessitate the acquisition of a portion of the Improvements and conveyance of those facilities to a third-party governmental entity prior to the receipt of the Bonds. The District and Developer hereby agree that such an acquisition by the District may be completed prior to the District obtaining proceeds from the Bonds; provided that the District agrees that upon obtaining such funds, it shall pay the amount agreed upon for those facilities in accordance with this Acquisition Agreement within ten (10) days of receipt of bond proceeds sufficient for that payment or within whatever timeframe is agreed to by the Parties.

SECTION 6. IMPACT FEE CREDITS. In lieu of reimbursing the Developer for the cost of the Work Product and Improvements from the proceeds of its Bonds, the District can also elect to provide for such repayment through the assignment of impact fee credits generated from the District's construction of the Improvements set forth in the District Engineer's Report.

SECTION 7. LIMITATION ON ACQUISITIONS. The Developer and the District agree and acknowledge that any and all acquisitions, whether for Improvements, Work Product or real property, shall be limited to those items which may legally be acquired by the District in conformance with all applicable state and federal laws and regulations and that nothing herein shall be deemed or construed to require the acquisition of any item in contravention of these authorities.

SECTION 8. TAXES, ASSESSMENTS AND OTHER COSTS.

- A. The Developer agrees to indemnify the District from and make payment for any and all taxes (ad valorem, personal property, intangibles, or otherwise), non-ad valorem assessments, and costs which may be imposed upon the District, or which the District is legally obligated to pay, as a result of the Parties entering into this Agreement, if any, whether such taxes, assessments, or costs are imposed upon the District's property or property interest, or Developer's property or property interest, or any other such expense. The potential obligations of Developer to pay such taxes, assessments and cost that may be incurred as a result of the Parties entering into this Agreement shall terminate one (1) year after conveyance of each parcel of real property.
- B. The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the County Tax Collector an amount equal to the current ad valorem taxes and non-ad valorem assessments prorated to the date of transfer of title, based upon the expected assessment and millage rates.
 - 1. If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.
 - 2. Nothing in this Agreement shall prevent the District or the Developer from asserting any rights to challenge any taxes or assessments imposed, if any, on any property of the District.
- C. The Parties agree to provide notice to the other within ten (10) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments or costs imposed on the property acquired by the District as described in subsection B above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within seven (7) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at

the maximum rate allowed by law from the date of the payment made by the District.

- D. The Parties agree that in the event the Developer fails to make timely payment of any such special assessments and/or otherwise defaults on such special assessments imposed to purchase the Improvements, such default shall terminate any and all District obligations contained in this Agreement.
- E. Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the Parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 9. BOND ISSUANCE FOR PULTE PROPERTY.

A. BOND ISSUANCE. At the Developer's request, the District shall use reasonable efforts, and cooperate with the Developer, to issue Bonds, to levy Debt Assessments (defined below) to secure the Bonds, and to use the Bonds to acquire completed portions of the Project, as set forth herein, on materially the following terms:

- a. The Property encompasses 410 acres of property and is planned for three phases, as follows:

Product Type	Phase 1	Phase 2	Phase 3	Total Units
Villas	38	40	28	106
40'	57	60	23	140
50'	164	144	89	397
64'	88	99	67	254

- b. The Bonds shall be secured by "**Debt Assessments**" levied solely on the Property, and payable in 30 annual installments, not including any capitalized interest period.
- c. The Debt Assessments securing the Bonds shall not be in excess of Thirteen Dollars and Twenty Five Cents (\$13.25) per nominal front foot, per District fiscal year, not including early payment discounts or collection costs, and the Bonds shall be sized accordingly.
- d. The District agrees to acquire the completed portions of the Project at the request of the Developer, and subject to the terms of this Agreement.
- e. The Bonds shall have minimum construction proceeds and a minimum average interest rate as reasonably requested by the Developer.
- f. The Bonds shall have an additional bonds test requirement that prevents the issuance of additional debt secured by assessments on the Property, until the Debt Assessments are paid in full and the Bonds are retired.

- g. The Bonds shall be callable prior to maturity at par plus accrued interest at the option of the District on and after ten (10) years after issuance.
- h. The Bonds shall provide for mandatory sinking fund redemptions.
- i. The Bonds shall provide for extraordinarily early redemption upon prepayment by landowners, or upon any other customary prerequisites.
- j. The Bonds shall be paid in principal annually pursuant to mandatory sinking fund redemptions, or quarterly in connection with the prepayment of Debt Assessments. Interest shall be paid semi-annually.
- k. Reserve requirements and capitalized interest provisions shall be as reasonably requested by the Developer.
- l. The Developer shall execute any documents reasonably requested by the District and in a form substantially similar to the forms of such documents previously entered into by the Developer in connection with prior community development district bonds (e.g., forms from DW Bayview Community Development District).
- m. Subject to the terms of this Agreement, the District shall own and operate all such Project improvements (or may convey such improvements (e.g., utilities) to a third-party governmental entity).
- n. NOTE: As a point of clarification, the Bonds may be issued in one or more series, and at different times, subject to the parameters set forth herein, and at the request of the Developer.
- o. Information for sample bond issuances is attached hereto as **Exhibit E**.

The District acknowledges and agrees that a necessary prerequisite for the Bonds to be issued is that the Master Developer and/or Landowner pay down any existing debt assessments (“**Original Debt Assessments**”) levied on the Property to twelve dollars and sixty five cents (\$12.65) per nominal front foot, and per District fiscal year, and not including collection costs or early payment discounts. The District shall not issue the Bonds and/or levy and impose Debt Assessments above and beyond the Original Debt Assessments until this prerequisite is satisfied, and even then, only upon the prior written consent of the Developer.

B. LIMITED AMENITY ACCESS. The District agrees that the residents of the Property will have a limited right to access and use all District amenities (“**Limited Community Amenities**”) that do not have access restrictions such as key fobs or access cards (e.g., walking trails, gazebos, playgrounds, etc.). The Limited Community Amenities do not include one or more amenity center buildings and related facilities such as swimming pools, spas, or tennis and pickle ball courts. The District agrees that the Property (and any lots developed on the property) will be subject to assessments levied by the District for the operation and maintenance of the Limited Community Amenities (“**Limited Community Amenities O&M Assessments**”), but NOT any other amenities (“**Excluded Amenities**”). The annual budget of the District shall reflect separate Limited Community Amenities O&M Assessments which provide for assessments related to the Limited Community Amenities. The proposed 2025 fiscal year budget for the Limited Community Amenities O&M Assessments is attached hereto as **Exhibit D**. The District shall not levy or collect any assessments on the Property to fund the Excluded Amenities (including but not limited to the construction, acquisition, financing, installation, operation, maintenance, repair or replacement). Instead, residents of the Property shall have access to the

Excluded Amenities solely on the same terms and conditions established by the District for members of the public, generally.

SECTION 10. ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of the agreement between the Parties relating to the subject matter of this Agreement.

SECTION 11. AMENDMENT. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by all of the Parties hereto.

SECTION 12. AUTHORITY TO CONTRACT. The execution of this Agreement has been duly authorized by the appropriate body or official of all Parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

SECTION 13. ASSIGNMENT. No party may assign its rights, duties or obligations under this Agreement or any monies to become due hereunder without the prior written consent of each other party, which consent shall not be unreasonably withheld; provided, however, the Developer shall assign this Agreement to any developer or sub-developer of all or a significant portion of the lands within the District without obtaining the prior written consent of the District.

SECTION 14. EFFECTIVE DATE. This Agreement shall have an effective date as of the date first written above.

SECTION 15. NEGOTIATION AT ARM'S LENGTH. This Agreement has been negotiated fully between the Parties as an arms length transaction. All Parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, all Parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against either party.

SECTION 16. DEFAULT. A default by the Developer under this Agreement shall entitle the District to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief and specific performance. A default by the District under this Agreement shall entitle the Developer to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief and specific performance.

SECTION 17. RECOVERY OF COSTS AND FEES. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the substantially prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 18. PUBLIC RECORDS. The Developer understands and agrees that all documents of any kind provided to the District or to District Staff in connection with the activities contemplated under this Agreement are public records and are treated as such in accordance with Florida law.

SECTION 19. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part thereof.

SECTION 20. EXECUTION IN COUNTERPARTS. This instrument may be executed in any number of counterparts, each of which, when executed and delivered, shall constitute an original, and such counterparts together shall constitute one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document.

SECTION 21. SOVEREIGN IMMUNITY. Developer agrees that nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, F.S., or other statutes or law.

NORTH RIVER RANCH IMPROVEMENT STEWARDSHIP DISTRICT ACQUISITION CHECKLIST

The following is a checklist that should be of assistance in preparing for the acquisition of engineering, permitting and design documents ("Work Product") and fully completed infrastructure improvements ("Improvements") by the North River Ranch Improvement Stewardship District ("District"). Some of these items may not be applicable in a given circumstance. Please feel free to give me a call to discuss in more detail what needs to be acquired and what, from the below description, needs to be included.

Acquisition of Work Product.

For the acquisition of Work Product, the following items need to be collected or generated for each item of Work Product the developer is requesting the District acquire:

- (i) *Contract for Professional Services* - A copy of the contract (and any work authorizations) entered into by and between the Developer and the professional service provider under which the Work Product was produced.
- (ii) *Documentation of Costs Paid* - This simply means invoices, bills, receipts, or other evidence of cost. The invoices should be organized based on the Work Product item to be acquired and must be accompanied by proof of payment.
- (iii) *Plans* - provide the plans and associated documentation to the District Engineer for review in advance of payment of the sums determined to be reasonable.
- (iv) *Releases* - get releases from all professionals providing services related to the Work Product which will allow the District to use and rely upon the validity of the Work Product.
- (v) *Warranties* - provide or cause to be provided to the District, either by assignment or directly from such third parties as may be necessary and desirable, a warranty that the Work Product is fit for the purposes to which it will be put to use by the District, as contemplated by the District's Improvement Plan.
- (vi) *Permits* - provide the permits and associated documentation to the District Engineer for review in advance of payment.

- (vii) *Engineering Review and Certification* - The District Engineer will review the information provided by the Developer and issue an opinion as to whether the costs are reasonable. The District Engineer will then prepare an Engineer's Certificate of approval.

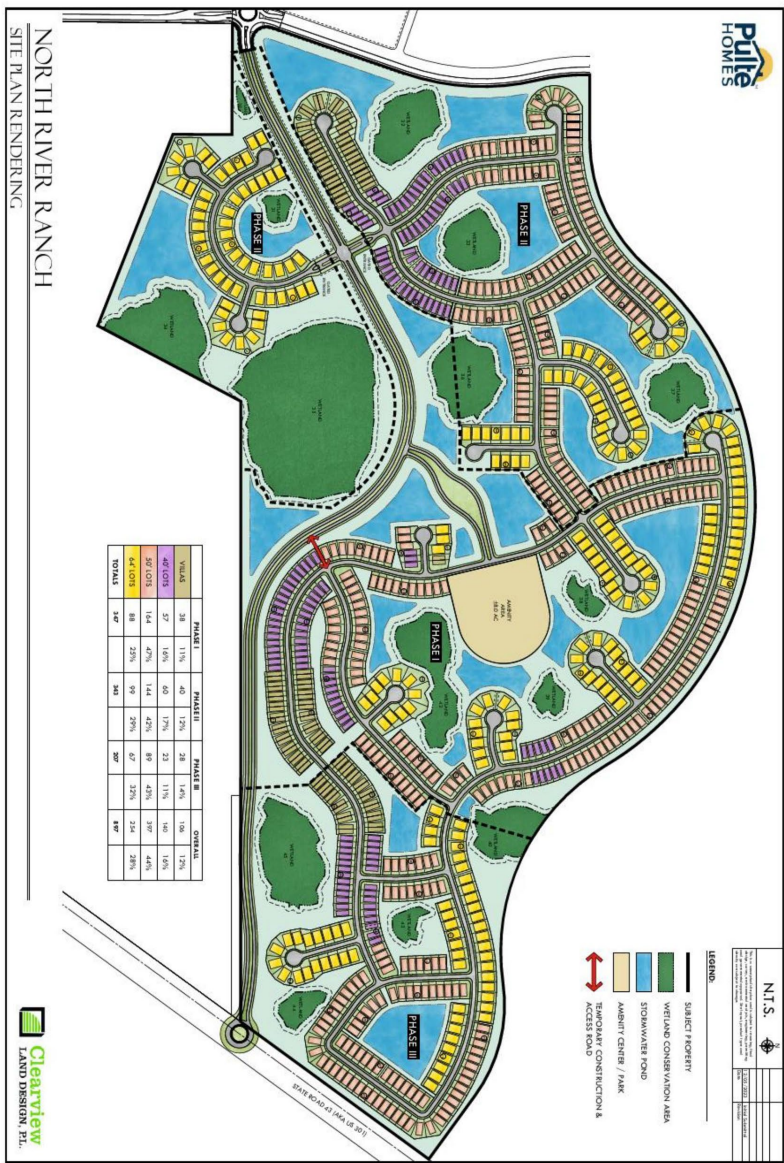

Acquisition of District Improvements.

For the acquisition of District Improvements, the following items should be collected or generated for each completed piece of infrastructure the Developer is requesting the District acquire:

- (I) *Request for Infrastructure Acquisition* - For each acquisition the Developer would like to District to make, a request must be made to the District in writing describing at least the following:
 - (a) Nature of the District Improvement.
 - (b) General location of the District Improvement.
 - (c) Cost of the District Improvement.
- (ii) *Contract for Construction Services* - A copy of the contract (and any change orders) entered into by and between the Developer and the construction contractor under which the District Improvement was constructed.
- (iii) *Documentation of Costs Paid* - This simply means applications for payment, invoices, bills, receipts, or other evidence of cost. The invoices should be organized based on the District Improvement to be acquired and must be accompanied by proof of payment and a verification of payment from the construction contractor.
- (iv) *Lien Releases* - Lien releases from the construction contractor reflecting payment in full for construction of completed District Improvements (inc. subcontractors).
- (v) *Schedule of Values* - A Schedule of Values identifying only those costs associated with the construction and/or installation of District Improvements (paving, drainage, etc.).
- (vi) *Contractor's Warranty Letter and Maintenance Bond* - A warranty letter and maintenance bond from the construction contractor for the District Improvements to be acquired. For example,
 - (a) Stormwater - ponds, master drainage pipes and control structures
 - (b) Roadway - paving and drainage
 - (c) Utilities – water, sewer and lift station

- (viii) *Test Results* - **If applicable** to the District Improvement being acquired, the following testing must be completed and the results provided to the District Engineer for review in advance of acquisition. By way of example:
- (a) Bacteriological
 - (b) Pressure tests
 - (c) Backflow certification
 - (d) TV Tapes
 - (e) Electric to lift station
 - (f) Lift station start-up
 - (g) Lift station start-up electrical inspection
 - (h) Operation and maintenance manuals
 - (i) Geotechnical testing results and geotechnical certification
- (ix) *Final Inspections and Agency Sign-Off* - **If applicable** to the District Improvement being acquired, final inspections by the project engineer must be completed and sign-off obtained from the appropriate governmental agencies (DEP, WMD etc).
- (x) *Instruments of Conveyance*. Most, if not all, of the transfers of improvements will also involve some type of real and tangible property transfer (e.g., bills of sale, deeds or easements, etc.). If any item acquired is to be conveyed to a third party governmental body, then the Developer will be asked to provide such certifications or documents as may be required by that governmental body.
- (xi) *Real Property Interests*. Determine what type of real property interest is needed for the Improvement (e.g., easement, deed, etc.) and make provision for conveyance.
- (xii) *Engineering Review and Certification* - The District Engineer will review the information provided by the Developer and issue an opinion as to whether the costs are reasonable. The District Engineer will then prepare an Engineer's Certificate.

Exhibit C: Pulte Property Concept Plan

Legal Description of the Land

A portion of platted Farms and vacated Right of Ways in Sections 8, 9, 16, and 17, Township 33 South, Range 19 East of the PLAT OF UNIT NO. 1 MANATEE RIVER FARMS, according to the map or plat thereof as recorded in Plat Book 6, Page 45 of the public records of Manatee County, Florida, and being more particularly described as follows:

COMMENCE at the South 1/4 corner of said Section 9; thence along the South line of the Southwest 1/4 of said Section 9, N.89°24'54"W., a distance of 862.65 feet to the **POINT OF BEGINNING**; Said point being located on the West Right of Way line of State Road 43 (also known as US Highway 301) per State of Florida State Road Department Right of Way Map, Section No. 1302-203, dated 9-4-56; thence along said West Right of Way line, S.36°06'00"W., a distance of 1512.08 feet to the North boundary of FF Road as described in Official Records Book 2805, Page 2366 of the Public Records of Manatee County; thence along said North boundary and the North boundary of BELLA LAGO, PHASE I, according to the plat thereof as recorded in Plat Book 66, Pages 166 through 198 of the Public Records of Manatee County, N.89°59'47"W., a distance of 4022.31 feet to the Northwest corner of Tract 509 of said BELLA LAGO, PHASE I; thence continue along the North boundary of said BELLA LAGO, PHASE I the following four (4) courses; (1) S.27°47'42"W., a distance of 1049.93 feet; (2) N.68°30'25"W., a distance of 1332.96 feet; (3) N.00°11'48"E., a distance of 383.27 feet; and (4) N.89°43'20"W., a distance of 719.63 feet to the Northwest corner of said BELLA LAGO, PHASE I; Thence leaving said North boundary, N. 00°35'40"E., a distance of 0.69 feet; Thence 86.54 feet along a non-tangent curve to the right having a radius of 75.00 feet and a central angle of 66°06'47" (chord bearing N.59°05'59"E., 81.82 feet); to a point of reverse curvature; thence 115.25 feet along the arc of a curve to the left having a radius of 442.00 feet and a central angle of 14°56'21" (chord bearing N.84°46'42"E., 114.92 feet); thence along a non-tangent line, N. 12°41'28"W., 84.00 feet; thence 44.92 feet along the arc of a non-tangent curve to the right having a radius of 358.00 feet and a central angle of 07°11'23" (chord bearing S.80°54'13"W., 44.89 feet) to a point of compound curvature; thence 178.00 feet along the arc of a non-tangent curve to the right having a radius of 92.00 feet and a central angle of 110°51'17" (chord bearing N.40°04'27"W., 151.51 feet) to a point of compound curvature; thence 59.83 feet along the arc of a curve to the right having a radius of 940.00 feet and a central angle of 03°38'49" (chord bearing N.17°10'36"E., 59.82 feet); thence N.19°00'00"E., a distance of 863.03 feet; thence Northerly, 869.35 feet along the arc of a tangent curve to the left having a radius of 1560.00 feet and a central angle of 31°55'47" (chord bearing N.03°02'07"E., 858.15 feet); thence Northerly, 324.96 feet along the arc of a reverse curve to the right having a radius of 1440.00 feet and a central angle of 12°55'47" (chord bearing N.06°27'53"W., 324.27 feet); thence N.00°00'00"E., a distance of 25.05 feet to the South boundary of the lands described in Official Records Book 2716, Page 43 of the Public Records of Manatee County; thence along said South boundary the following six (6) courses; (1) S.89°59'58"E., a distance of 424.47 feet; (2) Northeasterly, 946.51 feet along the arc of a tangent curve to the left having a radius of 1100.00 feet and a central angle of 49°18'03" (chord bearing N.65°21'00"E., 917.58 feet); (3) Easterly, 3768.55 feet along the arc of a reverse curve to the right having a radius of 1990.00 feet and a central angle of 108°30'13" (chord bearing S.85°02'55"E., 3230.14 feet); (4) Southeasterly, 1651.07 feet along the arc of a reverse curve to the left having a radius of 1400.00 feet and a central angle of 67°34'16" (chord bearing S.64°34'56"E., 1557.04 feet); (5) Easterly, 776.14 feet along the arc of a reverse curve to the right having a radius of 1000.00 feet and a central angle of 44°28'10" (chord bearing S.76°07'59"E., 756.80 feet); (6) S.53°53'54"E., a distance of 509.79 feet to the said West Right of Way line of State Road 43 (also known as US Highway 301); thence along said West Right of Way Line, S.36°06'00"W., a distance of 821.67 feet to the **POINT OF BEGINNING**.

Containing 413.481 Acres.

**North River Ranch
Improvement Stewardship District**

Tyree Brown, Arborist
Proposal for Maintenance Oversight

TYREE BROWN, ARBORIST, LLC
PROPOSAL FOR SERVICES FOR NORTH RIVER RANCH IMPROVEMENT
STEWARDSHIP DISTRICT

Tyree Brown Arborist, LLC is pleased to submit this proposal for services to support North River Ranch Improvement Stewardship District in achieving its goals for improving customer satisfaction by providing oversight of the current landscape maintenance in the District. Based upon the map of the District's presently installed landscaping provided by the District, Tyree Brown will conduct a monthly landscape inspection and generate a photographic report including observed deficiencies and recommendations to treat and correct. The contracted District landscaper will be provided the opportunity to attend each monthly inspection. This will help to coordinate the corrective action needed. The contracted District landscaper will be given an opportunity to respond in writing to the inspection report by an agreed deadline to be included as needed in the District's meeting agenda book. It is understood between the District and Tyree Brown, Arborist, LLC that the District is in a high growth state and as parcels are added to the District map there may be a need to increase the monthly fee for the inspections.

As a second part to the proposal, Tyree Brown will conduct an inspection as requested by the District, whenever there is a landscape installation scheduled for completion. Each inspection will include making sure all plants, trees, irrigation, mulch and hardscapes are installed as per the specifications in the installation contract. In addition, making sure the installation is conducted per proper industry BMPs and plant material meets the Florida Grades and Standards as noted in the installation contract. Documentation will be noted as to a recommendation that the installation be accepted with noted corrections to the District. Once the landscape is accepted, the warranty period noted in the contract will begin.

As a third part to the proposal, Tyree Brown will conduct an inspection of the currently installed landscape in the District and generate a report noting what current and missing landscape should need replacement. Recommendations will be made as to eliminating or adding plants and trees that are not growing well or might grow better based upon soil, weather and watering conditions. This will be helpful for the District to have a game plan for the next 5 years and for budgeting purposes.

As a fourth part to the proposal, Tyree Brown will be available to the District to attend Board meetings as needed by the District. This may be done in person or by call in coordinated with the District Manager.

Monthly landscape inspection fee with report per the current map provided. 500.00

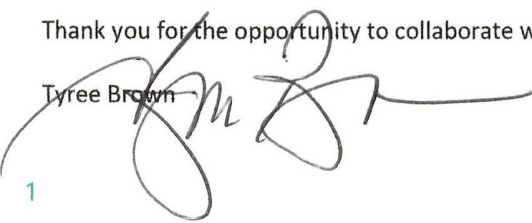

As needed new landscape installation inspection fee per event. 250.00

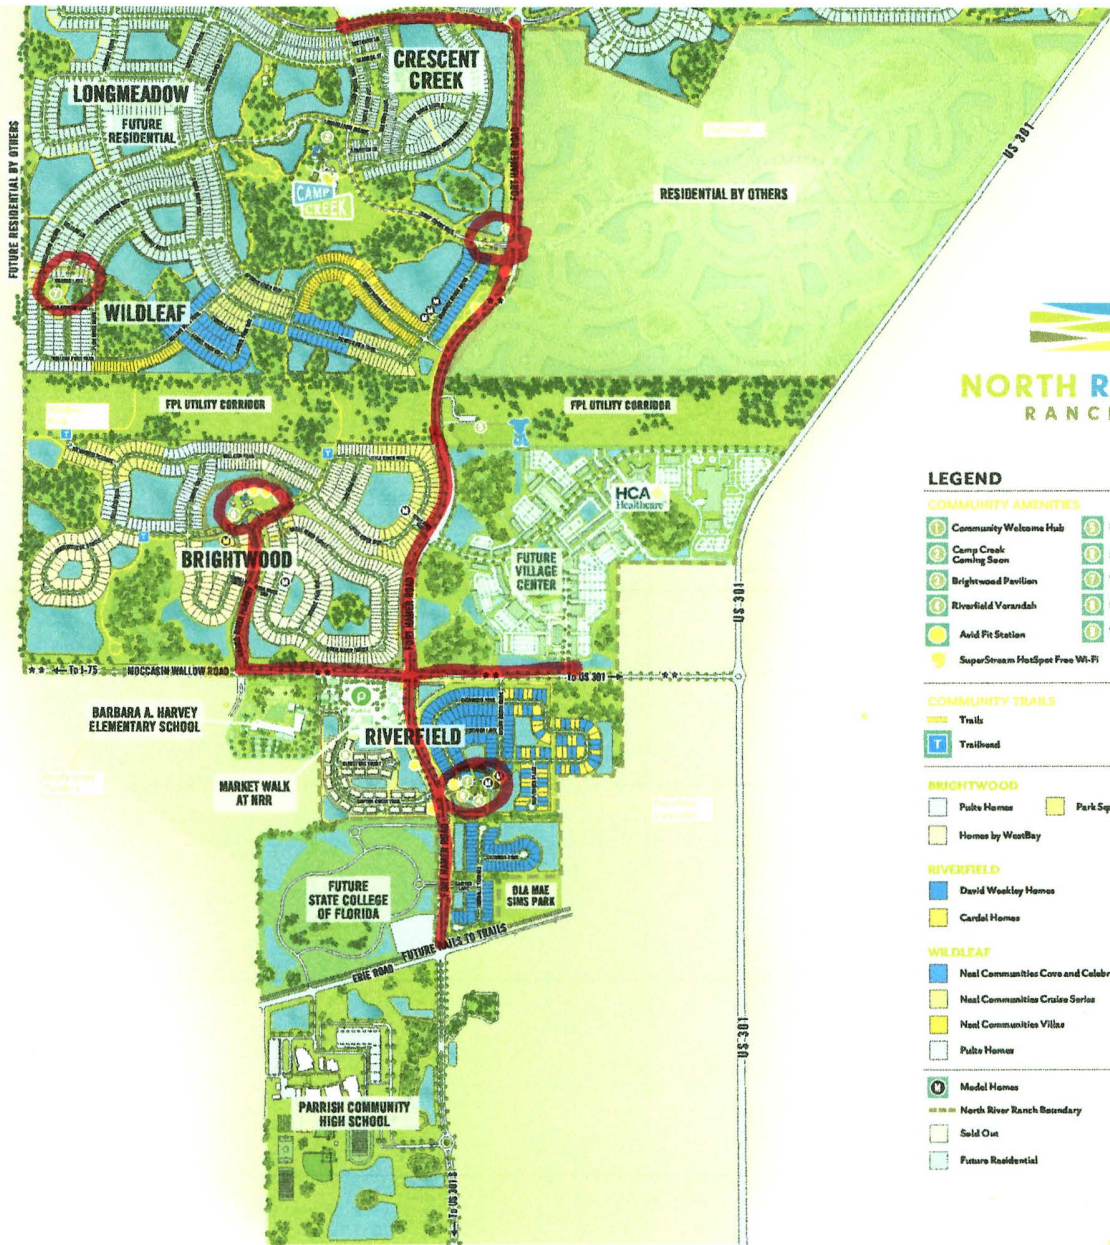

One time inspection fee of current landscape based on the present map for plant replacement and planning. 500.00

Board meeting attendance in person or mobile phone. Included.

Thank you for the opportunity to collaborate with you.

Tyree Brown

Total Price: \$137,136.96

Terms and Conditions:

Insurance:

Contractor shall purchase and maintain insurance that will protect contractor from claims arising out of contractor operations under this Agreement, whether the operations are by contractor, or any of the contractor's consultants or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable.

Warranty:

The Contractor warrants its work and material against defects and guarantees its work for 90 (Ninety) days after the completion of the project. Acts of God and incidents of negligence by others excluded.

Site Conditions:

Owner/General Contractor to provide a plant-ready finished grade, a metered point of connection, and commercial power prior to landscape and irrigation installation. Adjacent land development and/or vertical construction activities that could damage landscape and irrigation should be complete.

Contractor to notify Owner of the identification of any hazardous materials or conditions present on the jobsite and proceed only pending the remediation of hazardous conditions by others.

Sleeving:

Owner/General Contractor to provide advance notice prior to the installation of road or paver base in order to allow contractor to install crossings under roads, drives, walks, and isolated planters prior to their constructions.

Pricing:

Due to dynamic and uncertain economic conditions, pricing on all services can only be guaranteed for 30 days from the date of the proposal's issuance.

Deposit:

A 50% material deposit may be issued upon notice to proceed.

Payment:

Final payment of the balance due shall be made to the Contractor no later than thirty (30) days after completion and acceptance of the contracted work. Accounts over 60 days past due will be subject to credit hold and services may be suspended. All past due amounts are subject to interest at 1.5% per month plus costs of collection including attorney fees if incurred.

I confirm that my action here represents my electronic signature and is binding.
