SECOND ORDER OF BUSINESS

Business Matters

Review and Consideration of Certificate of Completion for Series 2019 A-1 and Series A-2 (Brightwood Project)

Mr. Engel gave an overview of the Certificate of Completion. It was noted that this deems the project completed.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board approved the Certificate of Completion for Series 2019 A-1 and Series A-2 (Brightwood Project).

Consideration of Advanced Aquatic Planting Proposal

This item was tabled.

Consideration of CO#1 with Frederick Derr & Company for Deer Park Phase 1A & 1B Project

Mr. Engel gave an overview of the change order. He noted this is the first change order for that project and represents the direct purchase of materials and the savings in sales tax. This is for a deduction of \$1,372,324.57 and a savings in sales tax of \$77,867.27.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved the CO#1 with Frederick Derr & Company for Deer Park Phase 1A & 1B Project.

Consideration of CO#12 to Stantec Work Authorization No. 1

Mr. Engel gave an overview of the change order. He noted this is a request for a new budget of \$60,000.00 for general engineering services. This is an annual cost and is for the new fiscal year.

ON MOTION by Mr. Williams, seconded by Mr. Blakley, with all in favor, the Board approved CO#12 to Stantec Work Authorization No. 1.

Consideration of CO#1 with RIPA & Associates for NRR Phase IV- F-1

Mr. Engel gave an overview of the change order. He noted this represents the direct purchase of materials and the savings in sales tax. This is for a deduction of \$219,024.37 and a savings in sales tax of \$12,444.77.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the Board approved CO#1 with RIPA & Associates for NRR Phase IV-F-1.

**Consideration of CO#14 with RIPA
& Associates for NRR Phase 4C
Amenity Center**

Mr. Engel gave an overview of the change order. This project started in February 2023 and there was a delay, and this change order adds 180 days to the project to bring it current. There is a memo from Mr. Fisher, the engineer on record, attached.

Mr. Fisher noted there is photo documentation to support the delay.

It was noted there are no monies attached to this change order.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board approved CO#!14 with RIPA & Associates for NRR Phase 4C.

THIRD ORDER OF BUSINESS

Other Business

Staff Reports

District Counsel –

No report.

District Engineer –

Mr. Engel gave an update on the Brightwood and Riverfield resident concerns with the ponds and their levels. He noted they have been inspected and will be creating a memo summary by the end of the week.

Mr. Engel gave an overview of the Brightwood summary related to the ponds and their levels. He noted the ponds in Brightwood are at their right levels for the season, but there is drainage being diverted due to the construction. Therefore, the ponds are higher than they normally would be for the season, which has killed the sod along the banks.

Mr. Williams noted the Bahia sod should come back once the water has returned to their normal levels.

Mr. Engel gave an overview of the Riverfield summary related to the ponds and their levels. He noted the ponds were slightly above level in some areas, but others were where they should be for the season. The water levels have been held up due to the downstream

system and the vegetation has died to being covered by the water. He is going to review this area again to confirm the issues. It was noted the Buffalo Canal system may need maintenance in some areas and is still recovering from storms, which back-floods the lakes.

There was brief discussion regarding Buffalo Canal and the issues. It was noted that Buffalo Canal is a Manatee County conduit. The Board recommended reaching out to Manatee County to notify them of the issues and to request a summary of their current and future plans. Mr. Engel noted there is construction happening downstream that may be causing the problems as well.

There was also brief discussion regarding the issues related to the aquifer and if charting the aquifer levels would be necessary. Mr. Engel noted this is completely linked to the Buffalo Canal, not the aquifers.

When Mr. Engel provides his summary and receives a response from the County, the Board will move forward with a proposal for next steps.

District Manager –

Ms. Carvalho stated the next Board Meeting will be October 8, 2025, at the same location. New calendar invites are forthcoming.

She noted there was a resident that dumped his palm fronds into the pond bank and pond behind his home. A violation and fee for the removal of the fronds has been sent to the resident. The resident is requesting a waiver for the fee of \$240.00.

Ms. Snow noted it has already been cleaned up as it could have caused damage to the pond and surrounding area.

ON MOTION by Mr. Williams, seconded by Mr. Blakley, with all in favor, the Board approved the Fee for Pond Frond Dumping to be assessed to the Resident in the amount of \$240.00.

Ms. Carvalho noted the responsibility of Field Services will be transitioning to an onsite representative and she has been working with the Development team to hire this person. Mr. Ramer will be the new Field Services representative starting October 1. She

requested a motion to remove the Field Services section that exists within the PFM District Management contract and move it to the contract with Jeff Ramer for those services.

ON MOTION by Mr. Williams, seconded by Ms. Snow, with all in favor, the Board approved the Removal of Field Services from the PFM contract and proceeding to enter into a contract for those services with Jeff Ramer.

There was brief discussion regarding Field Services. It was noted Mr. Ramer was a Neal Lands employee and background of the services will be provided to the Board at a subsequent meeting.

Field Manager –

The report was included in the packet for the Board.

Lifestyle Director –

The report was included in the packet for the Board.

Ms. Snow noted the Camp Creek Business Center is open and gave an overview of the area. The next section to open will be the canteen.

Audience Comments and Supervisor Requests

There was brief discussion regarding waiving the violation fee for the resident.

Mr. Johnson noted he will review with Ms. Carvalho for future reference.

There was also discussion regarding the resident incident related to broken glass in the pool.

Ms. Carvalho noted a suspension of amenity privileges letter was drafted by District Counsel for the resident. There will be a hearing at the October meeting which the resident can attend to appeal the suspension.

Mr. Williams requested the additional steps related to the Certificate of Completion, in order for the District to be in compliance with the Trust Indenture.

Mr. Johnson gave an overview and noted a copy of that certificate will be provided to the Trustee. It may release some remaining funds that are held under the indenture. Mr. Johnson will follow up with Mr. Engel.

There was brief discussion regarding the community map. It was recommended to have a water flow/drainage map done by the District Engineer. It was noted the ponds are stormwater drainage ponds, not for aesthetics.

Mr. Engel confirmed he can create that map.

Mr. Williams noted the map will help residents understand the pond system.

Mr. Engel will work with Mr. Fisher on the map, and it should be completed prior to the next meeting.

Mr. Weidemiller commented regarding the CCNR and noted the successful projects in the prospectus.

There were no further audience comments or Supervisor requests at this time.

FOURTH ORDER OF BUSINESS

Adjournment

There was no further business to be discussed.

ON MOTION by Mr. Williams, seconded by Mr. Leinaweaver, with all in favor, the September 10th, 2025, Rescheduled Board of Supervisor’s Meeting for the North River Ranch Improvement Stewardship District was adjourned at 1:52 p.m.

ATTACHMENT "A"

In addition to the fees in this Work Order, we charge all out-of-pocket expenses such as printing, photocopying, long distance telephone calls and postage. These expenses will be charged to you at our cost. Consultant Fees and permit fees, (if necessary), etc. will be charged at our cost plus 15%. Client shall pay the following items in advance: (a) all review/permit fees required by governmental agencies, and (b) any fees or other charges to be imposed upon Clearview Land Design, P.L., by its insurance carriers in excess of those necessary to obtain a standard certificate of insurance (including, without limitation, for earmarking of policy coverage to the project or for a waiver of subrogation). In the event such items are paid by Clearview Land Design, P.L. fees shall be reimbursed by Client in addition to the contract prices stated herein.

Any work requested which is not included in the stated fees shall be performed only after the execution of an "Authorization for Work" form. Fees for the additional work shall be at the rates prevailing at the time of the additional service.

Work will be billed at the end of each month under the terms of this Work Order, and we shall expect payment by the tenth of the following month. Client shall pay the invoice and statement in accordance with the terms of this Work Order and the terms of said statement and invoice. If Client fails to make any payment due Clearview Land Design, P.L. for services within 30 days of the invoice date, the amount(s) due shall include an interest charge at the rate of 1 ½ percent per month for the thirtieth day.

Additionally, notwithstanding any other terms or conditions herein to the contrary, it is expressly understood and agreed that Clearview Land Design, P.L., at its sole discretion, shall have the right to cease work on the project and withhold all information and documents concerning the project in the event until any amounts then due have been outstanding for more than 30 days from the date of the invoice. It is further agreed that Client shall hold Clearview Land Design, P.L. harmless for any and all damages resulting from ceasing work and/or withholding information or documents concerning the project.

All rates and fees are subject to renegotiation after a one month period from the date of this Work Order if it has not been accepted.

Unless otherwise agreed to in this contract, all sketches, tracings, drawings, computations, details, design calculations, permits, and other documents and plans prepared by Clearview Land Design, P.L., pursuant to this contract are instruments of service and are the property of Clearview Land Design, P.L. Client may not use or modify such documents on other projects or extensions of this project without the prior written approval of Clearview Land Design, P.L. Notwithstanding any provision in this contract to the contrary, in the event of a default by Client (including, without limitation, any failure to pay amounts due within 30 days of invoice date), Clearview Land Design, P.L., shall be entitled to exclusive ownership and possession of any and all documents prepared pursuant to this contract.

In the event this contract is terminated prior to completion, Clearview Land Design, P.L. shall be entitled to payment for services performed as of the date of termination, plus out-of-pocket expenses.

Client shall indemnify, defend and hold harmless Clearview Land Design, P.L., from and against any claims, liability, damages, penalties and/or costs (including, without limitation, reasonable attorney's fees and expenses) Clearview Land Design, P.L., may incur as a result of claims in any form by third parties (including, without limitation, governmental agencies and departments) relating to or arising out of this contract, except to the extent such claims arise from the gross negligence or intentional misconduct of Clearview Land Design, P.L.

Your acceptance of this proposal shall constitute a contract between the Client and Clearview Land Design, P.L.

The prevailing party in any litigation between the parties relating to or arising out of this contract (including, without limitation, trial, appellate and bankruptcy proceedings) shall recover its reasonable attorney's fees and costs from the non-prevailing party.

Opinions of probable construction costs provided by Clearview Land Design, P.L. represent our best judgment but do not constitute a guarantee since we have no control over contractor pricing.

The scope of services does not include site investigations or other engineering evaluations to determine the presence or extent of hazardous wastes or soil and groundwater contamination. Clearview Land Design, P.L. accepts no responsibility or liability in this regard.

Client acknowledges that the work described herein will constitute a lien against the property. The signature on this Work Order authorizes the work herein described and does so on behalf of the owner in question and warrants that he has the authority to sign this agreement on behalf of the Owner. In the event improvements are dedicated to public use or otherwise alienated by the Owner, then Clearview Land Design, P.L. shall be entitled to a lien on all property abutting said improvements.

Limitation of Liability

To the maximum extent permitted by law, CLEARVIEW LAND DESIGN, P.L.'s liability for CLIENT's damages will not exceed the compensation received by CLEARVIEW LAND DESIGN, P.L. under this Agreement. CLEARVIEW LAND DESIGN, P.L. is not responsible for the duties and responsibilities that belong to the borrower(s), developer(s), construction contractor(s), designer(s), testing laboratories, full-time inspector(s), or other parties associated with the Project (currently, in the past or in the future) not in the employ of or a subcontractor to CLEARVIEW LAND DESIGN, P.L. The limitations of liability and indemnities will apply whether CLEARVIEW LAND DESIGN, P.L.'s liability arises under breach of contract or warranty; tort; including negligence (but not sole negligence); strict liability; statutory liability; or any other causes of action; and shall apply to CLEARVIEW LAND DESIGN, P.L.'s officers, employees, and subcontractors. Due to the inherent risk involved in the type of work in this agreement, at the Client's discretion, and upon payment of an additional fee to be negotiated, CLEARVIEW LAND DESIGN, P.L.'s liability for the work can be increased.

The Client agrees to extend any and all liability limitation and indemnification provided by the Client to the Clearview Land Design, P.L. to those individuals and entities that Clearview Land Design, P.L. retains for performance of the services

under this Agreement, including but limited to the Clearview Land Design , P.L.'s current or former officers and employees and their heirs and assigns.

PURSUANT TO SECTION 558.0035 FLORIDA STATUTES, THE CONSULTANT'S CORPORATION IS THE RESPONSIBLE PARTY FOR THE PROFESSIONAL SERVICES IT AGREES TO PROVIDE UNDER THIS AGREEMENT. NO INDIVIDUAL PROFESSIONAL EMPLOYEE, AGENT, DIRECTOR, OFFICER OR PRINCIPAL MAY BE INDIVIDUALLY LIABLE FOR NEGLIGENCE ARISING OUT OF THIS CONTRACT.

Terms and Conditions

This Contract and the rights of the signers under this Contract shall be governed by the laws of the State of Florida, without reference to the choice of law principles thereof. The exclusive venue for all actions to enforce or interpret the provisions of this Contract will be courts of the State of Florida or of the United States having jurisdiction over Hillsborough County, Florida. All parties irrevocably waive any objection they may have to the laying of venue of any suit, action or proceeding arising out of or relating hereto brought in any such court, irrevocably waives any claim that any such suit, action or proceeding so brought has been brought in an inconvenient forum, and further waives the right to object that such court does not have jurisdiction over such party.

Your acceptance of this proposal shall constitute a Contract between the Client and GeoPoint Surveying, Inc.

Client agrees not to assign this Contract or any part hereof without the prior written consent of GeoPoint Surveying, Inc. which consent may be withheld by GeoPoint Surveying, Inc. for any reason it deems appropriate in its sole discretion. GeoPoint Surveying, Inc. may assign or transfer this Contract or any of its rights or obligations hereunder without the prior written consent of Client. This Contract shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.

Each provision of this Contract will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Contract.

GeoPoint Surveying, Inc., in furnishing the services under this Contract, is acting only as an independent contractor and shall have the exclusive control of the manner and means of performing the work contracted for hereunder. GeoPoint Surveying, Inc. does not undertake by this Contract or otherwise to perform any obligations of Client, whether regulatory or contractual, or to assume any responsibility for Client's business or operations. Nothing contained in this Contract shall be construed to create a joint venture or partnership between the parties.

The exhibits and other attachments to this Contract are hereby incorporated by reference and made part hereof. This Contract constitutes the entire understanding of the parties with respect to the subject matter hereof and there are no restrictions, warranties, covenants or undertakings other than those expressly set forth or referred to herein. This Contract may not be modified or amended except by an instrument in writing signed by the party against whom enforcement of any such modification or amendment is sought.

The waiver by either of the parties of breach or violation of any provision of this Contract shall not operate as, or be construed to be, a waiver of any subsequent breach of the same or other provisions hereof.

Kimley-Horn Agreement for Jones Buckeye
Project Wetland Jurisdictional Determination

September 26, 2025

Attt: Vivian Carvalho, Senior District Manager
North River Ranch Improvement Stewardship District
PFM Group Consulting LLC
3501 Quadrangle Blvd, Ste 270
Orlando, FL 32817

**Re: Letter Agreement for Professional Services
Formal Wetland Jurisdictional Determination
Jones Buckeye Project**

Dear Ms. Carvalho:

Kimley-Horn and Associates, Inc. ("Kimley-Horn" or "Consultant") submits this Letter Agreement ("Agreement") to North River Ranch Improvement Stewardship District ("Client") for providing environmental consulting services for Jones Buckeye ("Project"). The Project understanding, scope of services, and fees are described below.

Scope of Services

Kimley-Horn will provide the services specifically set forth below.

Task 1 – Formal JD

Kimley-Horn will coordinate a Formal Jurisdictional Wetland and Surface Water Determination by the Southwest Florida Water Management District (SWFWMD) on the Jones Buckeye parcel. Anticipated tasks include the following:

1. Site visit to reestablish wetland boundary with representative wetland flags
2. Preparation of an application to SWFWMD for a Formal Jurisdictional Wetland and Surface Water Determination.
3. Attendance at site visits with representatives of SWFWMD to reverify the limits of wetlands and surface waters on the subject parcel.
4. Submittal of the required wetland and surface water survey (prepared by the client's surveyor) and other supporting documentation to SWFWMD for final sign off.
5. Coordination with the client and other professionals working on the project.

Services Not Included

Any other services, including but not limited to the following, are not included in this Agreement:

1. Planning services
2. Transportation analysis
3. Surveying services

4. Geotechnical services
5. Archaeological services
6. Architectural services
7. Site civil engineering, including stormwater, mass grading, off-site improvements, etc.

Additional Services

Any services not specifically provided for in the above scope of services will be considered additional services and can be performed upon authorization of the Client and will be billed as additional services and performed at our then-current hourly rate. Approval will be obtained from the Client prior to initiating any additional services.

Schedule

Kimley-Horn will perform the services as expeditiously as practicable with the goal of meeting a mutually agreed upon schedule.

Fee and Expenses

Kimley-Horn will perform the Services in Task 1 on a labor fee plus expense basis. Labor fee will be billed on an hourly basis according to Kimley-Horn's then-current rates.

Direct reimbursable expenses such as express delivery services, air travel, and other direct expenses will be billed at 1.15 times cost. A percentage of labor fee will be added to each invoice to cover certain other expenses such as telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Administrative time related to the project will be billed hourly. All permitting, application, and similar project fees will be paid directly by the Client. Should the Client request Kimley-Horn to advance any such project fees on the Client's behalf, an invoice for such fees, with a fifteen percent (15%) markup, will be immediately issued to and paid by the Client.

Based on current information, Kimley-Horn estimates that labor fees will be approximately \$28,500.00. Fee estimates in this Agreement are for general budgeting purposes only. Actual fees may be less or more than the estimates. Individual tasks are listed below.

1	Formal Jurisdictional Wetland and Surface Water Determination	\$28,500.00	Hourly

Payment will be due within 25 days of Client's receipt of the invoice and should include the invoice number and Kimley-Horn project number.

Closure

In addition to the matters set forth herein, our Agreement shall include and be subject to, and only to, the attached Standard Provisions, which are incorporated by reference. As used in the Standard Provisions, "Kimley-Horn" shall refer to Kimley-Horn and Associates, Inc., and "Client" shall refer to North River Ranch Improvement Stewardship District.

Kimley-Horn, in an effort to expedite invoices and reduce paper waste, submits invoices via email in a PDF. We can also provide a paper copy via regular mail if requested. Please include the invoice number and Kimley-Horn project number with all payments. Please provide the following information:

____ Please email all invoices to _____

____ Please copy _____

Fees and times stated in this Agreement are valid for sixty (60) days after the date of this letter.

To ensure proper set up of your projects so that we can get started, please complete and return with the signed copy of this Agreement the attached Request for Information. Failure to supply this information could result in delay in starting work on this project.

We appreciate the opportunity to provide these services. Please contact me if you have any questions.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.

KIMLEY-HORN AND ASSOCIATES, INC.
STANDARD PROVISIONS

- 1) **Kimley-Horn's Scope of Services and Additional Services.** Kimley-Horn will perform only the services specifically described in this Agreement ("Services"). Any services that are not set forth in the scope of Services described herein will constitute additional services ("Additional Services"). If requested by the Client and agreed to by Kimley-Horn, Kimley-Horn will perform Additional Services, which shall be governed by these provisions. Unless otherwise agreed to in writing, the Client shall pay Kimley-Horn for any Additional Services an amount based upon Kimley-Horn's then-current hourly rates plus an amount to cover certain direct expenses including telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Other direct expenses will be billed at 1.15 times cost.
- 2) **Client's Responsibilities.** In addition to other responsibilities herein or imposed by law, the Client shall:
 - a. Designate in writing a person to act as its representative, such person having complete authority to transmit instructions, receive information, and make or interpret the Client's decisions.
 - b. Provide all information and criteria as to the Client's requirements, objectives, and expectations for the project and all standards of development, design, or construction.
 - c. Provide Kimley-Horn all available studies, plans, or other documents pertaining to the project, such as surveys, engineering data, environmental information, etc., all of which Kimley-Horn may rely upon.
 - d. Arrange for access to the site and other property as required for Kimley-Horn to provide its services.
 - e. Review all documents or reports presented by Kimley-Horn and communicate decisions pertaining thereto within a reasonable time so as not to delay Kimley-Horn.
 - f. Furnish approvals and permits from governmental authorities having jurisdiction over the project and approvals and consents from other parties as may be necessary.
 - g. Obtain any independent accounting, legal, insurance, cost estimating, and feasibility services required by Client.
 - h. Give prompt written notice to Kimley-Horn whenever the Client becomes aware of any development that affects Kimley-Horn's services or any defect or noncompliance in any aspect of the project.
- 3) **Period of Services.** Unless otherwise stated herein, Kimley-Horn will begin work after receipt of a properly executed copy of this Agreement. This Agreement assumes conditions permitting continuous and orderly progress through completion of the services. Times for performance shall be extended as necessary for delays or suspensions due to circumstances that Kimley-Horn does not control. If such delay or suspension extends for more than six months, Kimley-Horn's compensation shall be renegotiated.
- 4) **Method of Payment.** Client shall pay Kimley-Horn as follows:
 - a. Invoices will be submitted periodically for services performed and expenses incurred. Payment of each invoice will be due within 25 days of receipt. The Client shall also pay any applicable sales tax. All retainers will be held by Kimley-Horn and applied against the final invoice. Interest will be added to accounts not paid within 25 days at the maximum rate allowed by law. If the Client fails to make any payment due under this or any other agreement within 30 days after Kimley-Horn's transmittal of its invoice, Kimley-Horn may, after giving notice to the Client, suspend services and withhold deliverables until all amounts due are paid.
 - b. The Client will remit all payments electronically to:
Account Name: KIMLEY-HORN AND ASSOCIATES, INC.
Bank Name and Address: WELLS FARGO BANK, N.A., SAN FRANCISCO, CA 94104
Account Number: 2073089159554
ABA#: 121000248
 - c. The Client will send the project number, invoice number and other remittance information by e-mail to payments@kimley-horn.com at the time of payment.
 - d. If the Client relies on payment or proceeds from a third party to pay Kimley-Horn and Client does not pay Kimley-Horn's invoice within 60 days of receipt, Kimley-Horn may communicate directly with such third party to secure payment.
 - e. If the Client objects to an invoice, it must advise Kimley-Horn in writing giving its reasons within 14 days of receipt of the invoice or the Client's objections will be waived, and the invoice shall conclusively be deemed due and owing. If the Client objects to only a portion of the invoice, payment for all other portions remains due.
 - f. If Kimley-Horn initiates legal proceedings to collect payment, it shall recover, in addition to all amounts due, its reasonable attorneys' fees, reasonable experts' fees, and other expenses related to the proceedings. Such expenses shall include the cost, at Kimley-Horn's normal hourly billing rates, of the time devoted to such proceedings by its employees.

- g. The Client agrees that the payment to Kimley-Horn is not subject to any contingency or condition. Kimley-Horn may negotiate payment of any check tendered by the Client, even if the words "in full satisfaction" or words intended to have similar effect appear on the check without such negotiation being an accord and satisfaction of any disputed debt and without prejudicing any right of Kimley-Horn to collect additional amounts from the Client.
- 5) **Use of Deliverables.** All documents, data, and other deliverables prepared by Kimley-Horn are related exclusively to the services described in this Agreement and may be used only if the Client has satisfied all of its obligations under this Agreement. They are not intended or represented to be suitable for use or reuse by the Client or others on extensions of this project or on any other project. Any modifications by the Client to any of Kimley-Horn's deliverables, or any reuse of the deliverables without written authorization by Kimley-Horn will be at the Client's sole risk and without liability to Kimley-Horn, and the Client shall indemnify, defend and hold Kimley-Horn harmless from all claims, damages, losses and expenses, including but not limited to attorneys' fees, resulting therefrom. Kimley-Horn's electronic files and source code remain the property of Kimley-Horn and shall be provided to the Client only if expressly provided for in this Agreement. Any electronic files not containing an electronic seal are provided only for the convenience of the Client and use of them is at the Client's sole risk. In the case of any defects in the electronic files or any discrepancies between them and the hardcopy of the deliverables prepared by Kimley-Horn, the hardcopy shall govern.
- 6) **Intellectual Property.** Kimley-Horn may use or develop its proprietary software, patents, copyrights, trademarks, trade secrets, and other intellectual property owned by Kimley-Horn or its affiliates ("Intellectual Property") in the performance of this Agreement. Intellectual Property, for purposes of this section, does not include deliverables specifically created for Client pursuant to the Agreement and use of such deliverables is governed by section 5 of this Agreement. Unless explicitly agreed to in writing by both parties to the contrary, Kimley-Horn maintains all interest in and ownership of its Intellectual Property and conveys no interest, ownership, license to use, or any other rights in the Intellectual Property to Client. Any enhancements of Intellectual Property made during the performance of this Agreement are solely owned by Kimley-Horn and its affiliates. If Kimley-Horn's services include providing Client with access to or a license for Kimley-Horn's (or its affiliates') proprietary software or technology, Client agrees to the terms of the Software License Agreement set forth at <https://www.kimley-horn.com/khts-software-license-agreement> ("the License Agreement") which terms are incorporated herein by reference.
- 7) **Opinions of Cost.** Because Kimley-Horn does not control the cost of labor, materials, equipment or services furnished by others, methods of determining prices, or competitive bidding or market conditions, any opinions rendered as to costs, including but not limited to the costs of construction and materials, are made solely based on its judgment as a professional familiar with the industry. Kimley-Horn cannot and does not guarantee that proposals, bids or actual costs will not vary from its opinions of cost. If the Client wishes greater assurance as to the amount of any cost, it shall employ an independent cost estimator. Kimley-Horn's services required to bring costs within any limitation established by the Client will be paid for as Additional Services.
- 8) **Termination.** The obligation to provide further services under this Agreement may be terminated by either party upon seven days' written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof, or upon thirty days' written notice for the convenience of the terminating party. Kimley-Horn shall be paid for all services rendered and expenses incurred to the effective date of termination, and other reasonable expenses incurred by Kimley-Horn as a result of such termination.
- 9) **Standard of Care.** The standard of care applicable to Kimley-Horn's services will be the degree of care and skill ordinarily exercised by consultants performing the same or similar services in the same locality at the time the services are provided. No warranty, express or implied, is made or intended by Kimley-Horn's performance of services, and it is agreed that Kimley-Horn is not a fiduciary with respect to the Client.
- 10) **LIMITATION OF LIABILITY.** In recognition of the relative risks and benefits of the Project to the Client and Kimley-Horn, the risks are allocated such that, to the fullest extent allowed by law, and notwithstanding any other provisions of this Agreement or the existence of applicable insurance coverage, that the total liability, in the aggregate, of Kimley-Horn and Kimley-Horn's officers, directors, employees, agents, and subconsultants to the Client or to anyone claiming by, through or under the Client, for any and all claims, losses, costs, attorneys' fees, or damages whatsoever arising out of or in any way related to the services under this Agreement from any causes, including but not limited to, the negligence, professional errors or omissions, strict liability or breach of contract or any warranty, express or implied, of Kimley-Horn or Kimley-

Horn's officers, directors, employees, agents, and subconsultants, shall not exceed twice the total compensation received by Kimley-Horn under this Agreement or \$50,000, whichever is greater. Higher limits of liability may be negotiated for additional fee. This Section is intended solely to limit the remedies available to the Client or those claiming by or through the Client, and nothing in this Section shall require the Client to indemnify Kimley-Horn.

- 11) **Mutual Waiver of Consequential Damages.** In no event shall either party be liable to the other for any consequential, incidental, punitive, or indirect damages including but not limited to loss of income or loss of profits.
- 12) **Construction Costs.** Under no circumstances shall Kimley-Horn be liable for extra costs or other consequences due to changed or unknown conditions or related to the failure of contractors to perform work in accordance with the plans and specifications. Kimley-Horn shall have no liability whatsoever for any costs arising out of the Client's decision to obtain bids or proceed with construction before Kimley-Horn has issued final, fully approved plans and specifications. The Client acknowledges that all preliminary plans are subject to substantial revision until plans are fully approved and all permits obtained.
- 13) **Certifications.** All requests for Kimley-Horn to execute certificates, lender consents, or other third-party reliance letters must be submitted to Kimley-Horn at least 14 days prior to the requested date of execution. Kimley-Horn shall not be required to execute certificates, consents, or third-party reliance letters that are inaccurate, that relate to facts of which Kimley-Horn does not have actual knowledge, or that would cause Kimley-Horn to violate applicable rules of professional responsibility.
- 14) **Dispute Resolution.** All claims arising out of this Agreement or its breach shall be submitted first to mediation in accordance with the American Arbitration Association as a condition precedent to litigation.
- 15) **Hazardous Substances and Conditions.** Kimley-Horn shall not be a custodian, transporter, handler, arranger, contractor, or remediator with respect to hazardous substances and conditions. Kimley-Horn's services will be limited to analysis, recommendations, and reporting, including, when agreed to, plans and specifications for isolation, removal, or remediation. Kimley-Horn will notify the Client of unanticipated hazardous substances or conditions of which Kimley-Horn actually becomes aware. Kimley-Horn may stop affected portions of its services until the hazardous substance or condition is eliminated.
- 16) **Construction Phase Services.**
 - a. If Kimley-Horn prepares construction documents and Kimley-Horn is not retained to make periodic site visits, the Client assumes all responsibility for interpretation of the documents and for construction observation, and the Client waives any claims against Kimley-Horn in any way connected thereto.
 - b. Kimley-Horn shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, equipment maintenance and inspection, sequence, schedule, safety programs, or safety practices, nor shall Kimley-Horn have any authority or responsibility to stop or direct the work of any contractor. Kimley-Horn's visits will be for the purpose of observing construction and reporting to the Client whether the contractors' work generally conforms to the construction documents prepared by Kimley-Horn. Kimley-Horn neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents.
 - c. Kimley-Horn is not responsible for any duties assigned to it in the construction contract that are not expressly provided for in this Agreement. The Client agrees that each contract with any contractor shall state that the contractor shall be solely responsible for job site safety and its means and methods; that the contractor shall indemnify the Client and Kimley-Horn for all claims and liability arising out of job site accidents; and that the Client and Kimley-Horn shall be made additional insureds under the contractor's general liability insurance policy.
- 17) **No Third-Party Beneficiaries; Assignment and Subcontracting.** This Agreement gives no rights or benefits to anyone other than the Client and Kimley-Horn, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole benefit of the Client and Kimley-Horn. The Client shall not assign or transfer any rights under or interest in this Agreement, or any claim arising out of the performance of services by Kimley-Horn, without the written consent of Kimley-Horn. Kimley-Horn reserves the right to augment its staff with subconsultants as it deems appropriate due to project logistics, schedules, or market conditions. If Kimley-Horn exercises this right, Kimley-Horn will maintain the agreed-upon billing rates for services identified in the contract, regardless of whether the services are provided by in-house employees, contract employees, or independent subconsultants.

- 18) **Confidentiality.** The Client consents to the use and dissemination by Kimley-Horn of photographs of the project and to the use by Kimley-Horn of facts, data and information obtained by Kimley-Horn in the performance of its services. If, however, any facts, data or information are specifically identified in writing by the Client as confidential, Kimley-Horn shall use reasonable care to maintain the confidentiality of that material.
- 19) **Miscellaneous Provisions.** This Agreement is to be governed by the law of the State of Florida. This Agreement contains the entire and fully integrated agreement between the parties and supersedes all prior and contemporaneous negotiations, representations, agreements, or understandings, whether written or oral. Except as provided in Section 1, this Agreement can be supplemented or amended only by a written document executed by both parties. Any conflicting or additional terms on any purchase order issued by the Client shall be void and are hereby expressly rejected by Kimley-Horn. If Client requires Kimley-Horn to register with or use an online vendor portal for payment or any other purpose, any terms included in the registration or use of the online vendor portal that are inconsistent or in addition to these terms shall be void and shall have no effect on Kimley-Horn or this Agreement. Any provision in this Agreement that is unenforceable shall be ineffective to the extent of such unenforceability without invalidating the remaining provisions. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.
- (20) PURSUANT TO FS 558.0035, EMPLOYEES OF KIMLEY-HORN
MAY NOT BE HELD INDIVIDUALLY LIABLE FOR DAMAGES
RESULTING FROM NEGLIGENCE UNDER THIS AGREEMENT.

PFM District Management Fee Decrease Letter

September 17, 2025

Mr. Pete Williams
Chairman of the Board of Supervisors
North River Ranch Improvement Stewardship District
3501 Quadrangle Boulevard, Suite 270
Orlando, FL 32817

Dear Mr. Williams:

pfm

3501 Quadrangle Blvd.
Suite 270
Orlando, FL 32817
407.723.5900

pfm.com

Thank you for the opportunity to continue serving as District Manager to the North River Ranch Improvement Stewardship District (the "District"). The agreement in place between our firm and the District dated October 1, 2022 (the "Agreement") provides for the review and adjustment annually of our fees pursuant to the District's annual budget process.

Effective October 1, 2025, we understand the District will no longer need our firm to provide Field Management services as described in Exhibit A Section V of the Agreement. Therefore, effective October 1, our annual fees will be reduced by \$25,000 in accordance with the fee schedule on Exhibit B (Field Services Tier 3) of the Agreement. We will continue to bill the Board approved annual District Management Fee of \$80,500 and other applicable fees in the Agreement.

We would appreciate your signing and returning a copy of this letter to acknowledge the District's agreement to the revision of services described above. Thank you again for the opportunity to continue serving the District. We truly value the relationship.

Sincerely,
PFM GROUP CONSULTING LLC

TERMS AND CONDITIONS

Change Orders. Deviation or alterations to the scope of this agreement, including plans or specifications, shall be executed on receipt of written orders. A written change order must be emailed to Rayco Electric, Inc.; PO@raycoelectricinc.com.

Davis-Bacon Wages. Unless stated otherwise on this proposal, Davis-Bacon labor rates were NOT considered or included.

Payment. Unless stated otherwise on this proposal, CUSTOMER shall pay the contract price plus additional charges for changed or extra work. Payment is to be made at the time services are rendered. If payment is NOT received according to an approved payment schedule, shall be considered past due. Rayco will NOT perform any work until all past due invoices are paid.

Non-Payment. If CUSTOMER does NOT make payment, Rayco shall be entitled to recover from CUSTOMER all costs of collection incurred by Rayco, including attorney fees, costs, and expenses. Collection matters may be processed through litigation or arbitration at sole discretion of Rayco. The failure of CUSTOMER to make proper payment to Rayco when due shall entitle Rayco, at its discretion, to suspend all future work, shipments and/or warranties until full payment is made or termination of this contract.

Retainage. Retainage, based on original contract amount, to be paid to Rayco within 90 days of certificate of occupancy (CO). No retainage will be held on additional work that has been requested through a written change order.

Working Hours. Proposal is based upon the performance of all work being completed during Rayco's regular working hours. All work performed outside of Rayco's regular working hours, due to general contractor request or a delay of work by others, will result in additional charges.

Insurance. Rayco shall carry worker's compensation, automobile liability, commercial general liability and such other insurance as required by law. Rayco will furnish a Certificate of Insurance, evidencing the types and amounts of its coverage, upon request. Customer shall purchase and maintain builder's risk and property insurance upon the full value of the entire project, including labor, material and equipment furnished by Rayco, covering fire, extended coverage, malicious mischief, vandalism and theft on the premises to protect against loss or damage to material and equipment and partially completed work until the job is completed and inspected and Rayco's equipment is removed from the premises.

Repairs. Rayco shall NOT be responsible for any work associated with the repair of concrete or drywall, including painting, patching, and sealing of roof penetrations as required for the installation of electrical wiring, equipment and devices.

Damages and Delays. Rayco will NOT be responsible for damage done to Rayco's work by others. Any repairing of the same by Rayco will be billed to customer at our regularly scheduled rates. Rayco shall NOT be responsible for loss, damage or delay caused by circumstances beyond its reasonable control, including but NOT limited to, acts of God, weather, accidents, fire, vandalism, federal, state or local law, regulation or order; strikes, jurisdiction disputes, failure or delay of transportation, shortage of or inability to obtain materials, equipment or labor; changes in the scope of work and delays caused by others. In the event of these occurrences, Rayco's time for performance under this proposal shall be extended for a time sufficient to permit completion of the work.

Availability of Material and Site. If material supplied by others such as light fixtures, lamps, switches, and ceiling fans, etc., is NOT on the jobsite when Rayco has been scheduled to perform installation, additional charges will result and be based upon the number of additional trips to and from the jobsite to complete the job.

Light Fixture Installation. Unless stated otherwise on this proposal, light fixture installation is NOT included. Installation of fixtures would be performed on a time and material basis at our current hourly rate. It is at Rayco's discretion whether or NOT a fixture will be installed by our electricians.

Equipment and Material supplied by others. Rayco shall NOT be responsible for the installation, damage, theft, vandalism, storage or warranty of equipment and material supplied by others.

Trenching. Any obstacle encountered during trenching including, but NOT limited to, large rocks, roots, water, and unmarked conduits will result in additional charges.

Plans and Specifications. Electrical work requested by others NOT indicated on plans and/or specifications will NOT be performed without a written change order.

Code and Installation Practices. Material and equipment supplied by Rayco shall be in accordance with the 2014 National Electrical Code, local electrical building code, and standard electrical practices.

Fees. Utility & Power Company fees are NOT included.

Proposal Expiration. Material quotes obtained for this proposal are valid for 30 days. Therefore, this proposal expires after 30 days.

Terms and Condition Agreement. Rayco terms and conditions supersedes any contractual agreement with the contractor or client.

Price Volatility. Electrical material quotes from suppliers are sometimes subject to unusual price volatility due to conditions beyond the control or anticipation of Rayco. If there is a substantial increase in these or other materials between the date of this proposal and the time when the work is to be performed, the amount of this proposal/contract may be increased to reflect the additional cost to Rayco, will be passed onto to the CUSTOMER through a written change order.

Choice of Law, Venue and Attorney's Fees. This Agreement shall be governed by the laws of State of Florida. It is agreed that the sole and exclusive jurisdiction and venue of any proceeding arising out of or relating to this Agreement shall be the Circuit Court in and for Manatee County, Florida. Should Rayco employ an attorney to institute litigation or arbitration to enforce any of the provisions hereof, to protect the interest in any matter arising out of or related to this Agreement, Rayco shall be entitled to recover from the CUSTOMER, in addition to the amount of any judgment, all of its attorney's fees and cost/expenses incurred therein, including attorney's fees, and costs/expenses incurred at mediation, administrative, appellate or bankruptcy proceedings.

Warranty. All material to be guaranteed to be as specified. Warranty of material and equipment supplied by Rayco shall be for a period of one year from date of final inspection. A warranty will NOT be provided for material and equipment supplied by others.

Severance Clause. If any provision (or part thereof) of this Agreement is or becomes invalid, illegal or unenforceable, the provision shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is NOT practical, the relevant provision shall be deemed deleted. Any such modification or deletion of a provision shall NOT affect the validity, legality and enforceability of the rest of this Agreement. If a Party gives notice to another Party of the possibility that any provision of this Agreement is invalid, illegal or unenforceable, the Parties shall negotiate to amend such provision so that, as amended, it is legal, valid and enforceable and achieves the intended commercial result of the original provision.

Arbitration. If a dispute shall arise between Rayco and CUSTOMER with respect to any matters or questions arising out of or relating to this Agreement or breach thereof, such dispute, other than collection matters, shall be decided by arbitration administered by and in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. This Agreement to arbitrate shall be specifically enforceable under the prevailing arbitration law. The award rendered by the arbitrators shall be final, and judgment may be entered upon it in any Court having jurisdiction thereof. In the event there is litigation based upon a collection lawsuit, the parties KNOWINGLY, VOLUNTARILY, IRREVOCABLY AND INTENTIONALLY WAIVE THE RIGHT TO TRIAL BY JURY IN RESPECT TO ANY LITIGATION ARISING OUT OF OR PERTAINING TO THE AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PERSON OR PARTY RELATED TO THIS AGREEMENT; THIS IRREVOCABLE WAIVER OF THE RIGHT TO A JURY TRIAL BEING A MATERIAL INDUCEMENT FOR THE PARTIES TO ENTER INTO THIS AGREEMENT.

Consideration of Clearview Proposal for
Jones Buckye Phase 1 Design & Permitting

Revised: September 23, 2025

**RE: Jones Buckeye Phase I
Infrastructure Design & Permitting (577 +/- Lots, 195+/- Acres)**

Submitted herein is a proposal to perform engineering design and permitting services on the above referenced project. Our work shall be in accordance with applicable governmental regulations, including, but not limited to, the Manatee County Land Development Regulations, the Florida Department of Environmental Protection (DEP), and the Southwest Florida Water Management District (SWFWMD).

PROJECT DESCRIPTION:

This project will consist of design & permitting the first phase of Jones Buckeye (577± lots). The project is located immediately north of Buckeye Road and west of US 301. Access will be provided via Buckeye Road. Utility Extensions along Buckeye are not needed at this time. Roadway connections to Buckeye will be designed and permitted by others.

PROJECT ASSUMPTIONS:

1. The project will be designed and permitted in set of construction plans with three (3) construction/plot phases.
2. Crosswind Ranch Development will contract with additional consultants as required. Including but not limited to the following:
 - a. Survey
 - b. Environmental Services
 - c. Geotechnical Engineering Services.
 - d. Final Landscape, Hardscape & Irrigation Services
 - e. Traffic Engineering
 - f. SUE (if needed)
3. This contract assumes this project is exempt from the new stormwater rule due to the zoning being approved prior to January of 2024. If this site is subject to the new stormwater rule, a work order will be provided to address those changes.
4. This proposal excludes any utility extensions Buckeye Road improvements.
5. This proposal excludes off-site utility extensions along Buckeye Road. This proposal assumes the utilities available on Buckeye Road are sufficient to serve this project.

A. MASTER STORMWATER PLANNING & EARTHWORK- OPTIONAL

1. Existing Conditions:
 - a. Utilize the Little Manatee River watershed model to review drainage basins and major drainage conveyances through the project.
 - b. Review and compare the provided hydroperiods to the Little Manatee River and Manatee County watershed models.
 - c. Prepare 1"=200' base plans for the project.
2. Redline Grading Plan(s):
 - a. Compute pond sizes and prepare preliminary "redline" grading plans for Jones Buckeye.
 - b. This proposal excludes ICPR drainage modeling to be performed with future detailed design.
3. Earthwork Takeoffs:
 - a. Provide redline grading plans and coordinate with a contractor to prepare earthwork quantities and update construction budgets using the redline grading plans.

Note: The accuracy of this exercise will be impacted by the level of information of available (geotech, topo, etc.). Clearview will recommend additional pond borings and coordinate with geotech and survey if needed. Clearview assumes the Client will contract directly with Geotech and survey if needed. Clearview will use the best available information.

B. MASTER UTILITY PLANNING:

1. This is a critical task to confirm potable pipe sizes are adequate to provide fire flows in all future neighborhoods and determine the most effective routing of the internal wastewater system. Work with Manatee County Utilities on alternative connections if required.
2. Prepare Master Utility Plans (MUP's) and coordinate with Manatee County Utilities (MCU):
 - a. **Potable Water:** Prepare a Master Water Plan and process through MCU. This proposal assumes standard WaterCAD hydraulic modeling will be sufficient to demonstrate adequate fire flows are available to serve Crosswind Ranch.
 - b. **Wastewater:** Prepare a Master Wastewater Plan and process through MCU. This proposal excludes any detailed wastewater modeling and/or pump station design. Work with MCU to determine the most cost-effective route to serve Crosswind Ranch.
 - c. **Reclaimed:** Prepare a Master Reclaimed Water Plan and process through MCU. This proposal excludes any reclaimed hydraulic modeling.
3. Consult with the Client as needed in conjunction with Plans and Submittals.
4. Meet with Staff reviewers as needed for submittals and responses through to final approvals.

C. DESIGN & PERMITTING RESIDENTIAL SERVICES:

MANATEE PRELIMINARY SITE PLAN/FINAL SITE PLAN, CONSTRUCTION PLAN, SWFWMD MANATEE SIMULTANEOUS SUBMITTAL (PSP/FSP & CP)

1. Prepare grading and drainage plans, including street sections and necessary details, and process for approval by the Manatee County Building and Development Services Department.
2. Prepare flexible pavement calculations as required by Manatee County Land Development regulations.
3. Prepare a SWFWMD Environmental Resource Permit application package and submit to SWFWMD for approval.
4. Prepare Manatee County Final Site Plans with details to be processed through Manatee County for approval as a simultaneous submittal.
5. Prepare on-site sewage collection system plans, including a pump station, and necessary details and process for approval by the Manatee County Development Services Department.
6. Prepare on-site water distribution system plans, including necessary details and process for approval by the Manatee County Development Services Department.
7. Design the commercial outparcel for drainage and utility stub outs.
8. Supply appropriate prints to Peace River Electric Company), Frontier Communications and TECO-Peoples Gas Company, to aid in their distribution system design.
9. Coordinate and attend a pre-construction meeting with Client, contractor and other necessary consultants and utility representatives.
10. Consult, as required, with Client and governmental agencies in connection with the above listed services, including follow-up on submittals to governmental agencies to secure necessary approvals.

D. DESIGN AND PERMITTING FORT HAMER ROAD EXTENSION:

- a. Preparation of design and construction plans for proposed the extension of Fort Hamer Road from Buckeye Road to Road JJ (3,380± LF). The design of the roadway extension will be incorporated into the construction plans for the onsite improvements. The intersection of Fort Hamer Road and Buckeye Road will be designed as a 4x4 roundabout. (Assumes no offsite utility extensions will be required).

E. LDA and County Reimbursement Assistance (58/42):

1. Coordinate with Manatee County on Fort Hamer Road oversizing agreement along with a utility oversizing agreement and assist owner with reimbursement agreement. Work with project attorney on LDA for the project.

F. Wetland Delineation- Optional

- Apply for a SWFWMD formal wetland delineation
- Flag wetlands and set hydroperiods
- Visit the site with SWFWMD staff
- Coordinate with the surveyor and review draft surveys
- Process survey through SWFWMD for approval

Clearview environmental scientists will apply for a SWFWMD formal wetland delineation. We will flag the wetlands per Chapter 62-340 F.A.C. Clearview will attend site visits with SWFWMD staff to verify wetland boundaries. Hydroperiods will be set for engineering design. Clearview will coordinate with the surveyor, perform quality checks of draft surveys, and process the survey through the SWFWMD for approval.

Clearview will provide an opinion as to the limits of jurisdictional Waters of the United States (WOTUS) per the current federal regulations (Clean Water Act) and discuss 404 permitting options.

G. Listed Species Assessment- Optional

- General listed species survey
- 15% gopher tortoise survey
- Listed species assessment report

Clearview's environmental scientists will conduct reconnaissance level habitat assessments to determine the potential for state and federally listed species to occur within the Project limits, as outlined by the FWC under Rule 68A-27 FAC and the USFWS under 50 CFR 17. Incidental species observations, nests, burrows, and evidence that would suggest the presence of listed wildlife species (e.g., tracks, scat, cavities, or nests) occurring on or near the project site will be documented, and their approximated locations will be recorded. Additionally, a Clearview Authorized Gopher Tortoise Agent will conduct a 15% survey for gopher tortoises (*Gopherus polyphemus*) within potentially suitable upland habitat in accordance with the current FWC Gopher Tortoise Permitting Guidelines. Clearview will prepare a listed species assessment report summarizing the results of the survey and anticipated additional surveys that may be required.

Environmental Assumptions

- This Scope of Services does not include the surveyor's costs for the wetland survey.
- Wetland impact permitting is not included.
- This Scope of Services does not include a wetland delineation for offsite roads or utilities.
- Species-specific surveys, other than the 25% gopher tortoise survey, are not included. If necessary, additional surveys will be provided under a separate scope.
- This Scope of Services does not include Gopher tortoise relocation permitting or incidental take permitting.

- Informal or formal consultations with the USFWS or FWC for federal and/or state protected species are excluded.
- This Scope of Services does not include listed species construction monitoring.

H. SUBDIVISION TREE REMOVAL AND PERMIT LANDSCAPE PLANS

1. Assist and coordinate the landscape and hardscape components required for permitting of single-family subdivision, including local roadways, buffers, and passive parks. Correspond with design team and respond to Manatee County comments as necessary to gain approval of site plan.
2. Prepare a tree removal and replacement plan. Tree removal plan will include tally of removed trees and required replacement trees. Clearview will discuss with Owner a strategy and cost analysis for upsizing trees to meet mitigation as well as options for payment to tree mitigation fund.
3. Street tree plan will be prepared as required to meet Manatee County Code. Permit landscape plan will identify street tree types, locations, and municipal requirements for sidewalk protection based on species selected.
4. Landscape plan will include charts outlining code requirements, planting quantities, plant specifications and planting details.
5. Coordinate with Civil Engineer to include minimum hardscape details including walls, fences, gate and sign locations.

I. FDEP PERMITTING:

1. Prepare the required FDEP Water & Wastewater submittal packages and submit to Manatee County Utilities for Approval.
2. Assist the Client with utility commitment fee payment and processing.

J. REIMBURSABLE EXPENSES:

Any reimbursable fees incurred such as mileage, prints, postage, courier fees.

The charge incurred has no mark-up and billed at cost. Review Fees, in most instances the client provides the review fee check per the request of Clearview Land prior to submittal. In instances where the client has requested Clearview Land to issue a check on their behalf, the above referenced job no. will be charged.

WORK SPECIFICALLY EXCLUDED FROM THIS CONTRACT:

1. Any work not specifically included in this contract shall be presumed extra to this contract.
2. Final Landscape/Hardscape/Irrigation Design & Permitting Services
3. Zoning Modifications
4. FEMA LOMR's
5. Traffic studies

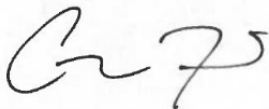

6. Structural Engineering
7. Environmental Engineering
8. Wetland setback encroachment variances or waivers.
9. Request for waivers from Manatee Land Development Code.
10. In the event the Client or contractor desires changes to the approved plans or specifications, all work connected therewith is extra to this contract.
11. Determination, report and/or permitting of invasive plant species.
12. Wetland survey or re-establishment of the SWFWMD line, if DEP does not accept the approved SWFWMD lines.
13. Offsite Utility Extensions along Buckeye.

In addition to the fees in this Work Order, we charge all out-of-pocket expenses such as printing, photocopying, long distance telephone calls and postage. These expenses will be charged to you at our cost. Consultant Fees and permit fees, (if necessary), etc. will be charged at our cost plus 15%. Client shall pay the following items in advance: (a) all review/permit fees required by governmental agencies, and (b) any fees or other charges to be imposed upon Clearview Land Design, P.L., by its insurance carriers in excess of those necessary to obtain a standard certificate of insurance (including, without limitation, for earmarking of policy coverage to the project or for a waiver of subrogation). In the event such items are paid by Clearview Land Design, P.L. fees shall be reimbursed by Client in addition to the contract prices stated herein.

Any work requested which is not included in the stated fees shall be performed only after the execution of an "Authorization for Work" form. Fees for the additional work shall be at the rates prevailing at the time of the additional service.

Work will be billed at the end of each month under the terms of this Work Order, and we shall expect payment by the tenth of the following month. Client shall pay the invoice and statement in accordance with the terms of this Work Order and the terms of said statement and invoice. If Client fails to make any payment due Clearview Land Design, P.L. for services within 30 days of the invoice date, the amount(s) due shall include an interest charge at the rate of 1 ½ percent per month for the thirtieth day.

Additionally, notwithstanding any other terms or conditions herein to the contrary, it is expressly understood and agreed that Clearview Land Design, P.L., at its sole discretion, shall have the right to cease work on the project and withhold all information and documents concerning the project in the event until any amounts then due have been outstanding for more than 30 days from the date of the invoice. It is further agreed that Client shall hold Clearview Land Design, P.L. harmless for any and all damages resulting from ceasing work and/or withholding information or documents concerning the project.

All rates and fees are subject to renegotiation after a one month period from the date of this Work Order if it has not been accepted.

Unless otherwise agreed to in this contract, all sketches, tracings, drawings, computations, details, design calculations, permits, and other documents and plans prepared by Clearview Land Design, P.L., pursuant to this contract are instruments of service and are the property of Clearview Land Design, P.L. Client may not use or modify such documents on other projects or extensions of this project without the prior written approval of Clearview Land Design, P.L. Notwithstanding any provision in this contract to the contrary, in the event of a default by Client (including, without limitation, any failure to pay amounts due within 30 days of invoice date), Clearview Land Design, P.L., shall be entitled to exclusive ownership and possession of any and all documents prepared pursuant to this contract.

In the event this contract is terminated prior to completion, Clearview Land Design, P.L. shall be entitled to payment for services performed as of the date of termination, plus out-of-pocket expenses.

Client shall indemnify, defend and hold harmless Clearview Land Design, P.L., from and against any claims, liability, damages, penalties and/or costs (including, without limitation, reasonable attorney's fees and expenses) Clearview Land Design, P.L., may incur as a result of claims in any form by third parties (including, without limitation, governmental agencies and departments) relating to or arising out of this contract, except to the extent such claims arise from the gross negligence or intentional misconduct of Clearview Land Design, P.L.

Your acceptance of this proposal shall constitute a contract between the Client and Clearview Land Design, P.L.

The prevailing party in any litigation between the parties relating to or arising out of this contract (including, without limitation, trial, appellate and bankruptcy proceedings) shall recover its reasonable attorney's fees and costs from the non-prevailing party.

Opinions of probable construction costs provided by Clearview Land Design, P.L. represent our best judgment but do not constitute a guarantee since we have no control over contractor pricing.

The scope of services does not include site investigations or other engineering evaluations to determine the presence or extent of hazardous wastes or soil and groundwater contamination. Clearview Land Design, P.L. accepts no responsibility or liability in this regard.

Client acknowledges that the work described herein will constitute a lien against the property. The signature on this Work Order authorizes the work herein described and does so on behalf of the owner in question and warrants that he has the authority to sign this agreement on behalf of the Owner. In the event improvements are dedicated to public use or otherwise alienated by the Owner, then Clearview Land Design, P.L. shall be entitled to a lien on all property abutting said improvements.

Limitation of Liability

To the maximum extent permitted by law, CLEARVIEW LAND DESIGN, P.L.'s liability for CLIENT's damages will not exceed the compensation received by CLEARVIEW LAND DESIGN, P.L. under this Agreement. CLEARVIEW LAND DESIGN, P.L. is not responsible for the duties and responsibilities that belong to the borrower(s), developer(s), construction contractor(s), designer(s), testing laboratories, full-time inspector(s), or other parties associated with the Project (currently, in the past or in the future) not in the employ of or a subcontractor to CLEARVIEW LAND DESIGN, P.L. The limitations of liability and indemnities will apply whether CLEARVIEW LAND DESIGN, P.L.'s liability arises under breach of contract or warranty; tort; including negligence (but not sole negligence); strict liability; statutory liability; or any other causes of action; and shall apply to CLEARVIEW LAND DESIGN, P.L.'s officers, employees, and subcontractors. Due to the inherent risk involved in the type of work in this agreement, at the Client's discretion, and upon payment of an additional fee to be negotiated, CLEARVIEW LAND DESIGN, P.L.'s liability for the work can be increased.

The Client agrees to extend any and all liability limitation and indemnification provided by the Client to the Clearview Land Design, P.L. to those individuals and entities that Clearview Land Design, P.L. retains for performance of the services

under this Agreement, including but limited to the Clearview Land Design , P.L.'s current or former officers and employees and their heirs and assigns.

PURSUANT TO SECTION 558.0035 FLORIDA STATUTES, THE CONSULTANT'S CORPORATION IS THE RESPONSIBLE PARTY FOR THE PROFESSIONAL SERVICES IT AGREES TO PROVIDE UNDER THIS AGREEMENT. NO INDIVIDUAL PROFESSIONAL EMPLOYEE, AGENT, DIRECTOR, OFFICER OR PRINCIPAL MAY BE INDIVIDUALLY LIABLE FOR NEGLIGENCE ARISING OUT OF THIS CONTRACT.

**RE: Estimated Cost for Various Testing, Engineering and
Inspection Services for North River Ranch Phase 4 C2
Infrastructure Construction
Manatee County, Florida
Our Proposal No. SAL 252106P**

Dear Mr. Williams:

DRIGGERS ENGINEERING SERVICES, INC. is pleased to provide you with an estimated cost for budgeting purposes for the aforementioned project. We have reviewed the plans and specifications provided to assemble a basic scope of services needed for the project. This scope of work is based on several factors including specifications and testing frequencies developed by the engineer of record, governing agencies, and owner specifications. In addition, contractor performance and usual factors such as weather and material changes or substitutions will control our scope of work and can only be estimated based on prior history and general practices.

As with any project any reduction in estimated services would be a cost savings to you. Any testing services beyond the estimated amounts would be billed at the agreed upon rates and processed through change orders. We feel a budget of \$66,060 .00 should be anticipated for this project's needs. Attached you will find a list of services for this project. In this list may be services that may not apply to the project at the time of submission but maybe needed during the course of the project based on design or contractual changes. This is done to reduce the number of change order request during the course of the project and thereby controlling cost.

DRIGGERS ENGINEERING SERVICES, INC. appreciates the opportunity to provide you with this proposal. Should you have any questions or require additional information, please don't hesitate to contact us at your convenience. Attached you will also find a standard contract to be completed, should you decide to go forward.

Respectfully Submitted,

Re: FEMA Public Assistance Eligibility Determination – North River Ranch Improvement Stewardship District, PA ID 000-USVF2-00, FEMA-4834-DR-FL, Project 950159

Dear Kevin Guthrie and Vivan Carvalho:

The Department of Homeland Security's Federal Emergency Management Agency (FEMA) has determined that the work is ineligible. Please see the enclosed FEMA Public Assistance Determination Memorandum for detailed information.

Under the Robert T. Stafford Disaster Relief and Emergency Assistance Act and applicable regulations, North River Ranch Improvement Stewardship District is entitled to appeal this eligibility determination. The Applicant may appeal this determination to the FEMA Region 4 Regional Administrator pursuant to Title 44 Code of Federal Regulations § 206.206. The appeal must: (1) contain documented justification supporting the Applicant's position, (2) specify the monetary figure in dispute, and (3) cite the provisions in federal law, regulation, or policy with which the Applicant believes the initial action was inconsistent. The Applicant should also include a current email address to receive electronic correspondence. The Applicant may submit the appeal to the Florida Division of Emergency Management (Recipient) within 60 calendar days from the date of the FEMA determination that is the subject of the appeal. The Recipient must then electronically forward the appeal, with a written recommendation, to the Region 4 Regional Administrator within 120 calendar days from the date of the FEMA determination that is the subject of the appeal.

Lastly, the Applicant must submit all relevant supporting information with its first appeal. For reference, a current index of documents relevant to this determination is enclosed.

Project Description:

Hurricane Milton produced strong winds, tornadoes, torrential rain, and tidal surge, resulting in a Presidential Disaster Declaration, DR-4834-FL, with an incident period of October 05, 2024, through November 02, 2024. The North River Ranch Improvement Stewardship District (Applicant) is considered a type of local government entity and can apply for FEMA Public Assistance (PA).

The Applicant claims that Hurricane Milton’s winds resulted in obstructive vegetative debris at several locations within the community. In response, it utilized contract resources to clear the debris and ensure the passage of emergency vehicles. The contract work was performed between October 22, 2024, and November 4, 2024, for a total cost of \$56,775.00.

Issue:

Has the Applicant demonstrated the claimed emergency work was in response to an immediate threat to save lives and protect improved property and public health and safety, or to avert or lessen the threat of a major disaster?

Applicable Statutes, Regulations, and Policies in Effect as of the Declaration of the Emergency or Disaster:

- **The Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (2024) (Stafford Act):**

- § 403 Essential Assistance (42 U.S.C. § 5170b)
- § 407 Debris Removal (42 U.S.C. § 5173)

- **Title 44 of the Code of Federal Regulations (44 C.F.R.) (2024):**

- § 206.201 Definitions
- § 206.224 Debris Removal

- **FEMA Policy:**

Public Assistance Program and Policy Guide (PAPPG) FP 104-009-2 Version 4 (June 1, 2020) at 63-64, 65, 96, 101, 103, 115

Analysis:

FEMA may reimburse local government entities, including special districts, for providing assistance essential to meeting immediate threats to life and property resulting from a major disaster, and for associated expenses incurred by them, including debris removal.¹ FEMA has determined the Applicant meets the definition of a special district and may receive assistance for Category B debris removal activities, but only in accordance with all applicable federal regulations and policy.²

Emergency work is defined as work which must be done immediately to save lives and to protect improved property and public health and safety, or to avert or lessen the threat of a major disaster.³ To be eligible, costs must be directly tied to the performance of eligible work, adequately documented, and “necessary and reasonable to accomplish the work properly and efficiently.”⁴

When an incident causes damage or debris blockage to access routes for essential community services, or areas with survivors, work to restore access is eligible. This includes clearing debris or conducting emergency repairs to access facilities, such as roads or bridges. Eligible Category B debris removal is limited to work necessary to ensure access remains passable. Any additional debris removal or debris clearance beyond this scope falls under Category A and is subject to its specific eligibility criteria.⁵

Private roads are those that are not owned, operated by, or otherwise the legal responsibility of a local, county, tribal, territorial, state, or federal entity. Clearance of debris from private roads including orphan roads, roads in gated communities, homeowners' association roads, etc. is in the public interest if the debris impairs emergency access by local emergency responders, ambulances, fire, and police. For example, downed trees may be cut and moved off the roadway. Eligible work is limited to that necessary for roads to remain passable but might include removal and disposal during the initial pass as necessary to ensure emergency access. The Applicant is not required to submit documentation demonstrating that debris clearance is in the public interest.⁶

The Applicant claims Hurricane Milton's winds resulted in fallen trees and other obstructive vegetative debris throughout the community, obstructing emergency access. In the Streamlined Project Application (SPA),⁷ signed June 10, 2025, the Applicant stated it cleared debris to allow passage of emergency vehicles. The work was completed by contractors for a total cost of \$56,775.00.

Debris removal as an emergency protective measure is for restoration of emergency access, since obstructive debris that impairs access by emergency responders constitutes an immediate threat. The Applicant controls access to community amenities by using key fobs and other digital access⁸ and by gates to residential areas.

In support of its claim, the Applicant presented procurement support and invoices for reimbursement from three contractors:

- From Bay Area Bobcat, the Applicant submitted six approved task order/estimates totaling \$18,250.00 for various activities, including tree removal, sod installation, playground cleanup, and parking lot maintenance.⁹ While some tasks may be eligible, each invoice includes ineligible work, such as landscaping and general maintenance. The lump sum invoices do not distinguish potentially eligible costs from ineligible costs, making it impossible to distinguish reimbursable work. Additionally, work performed at single-family homes would only be eligible if conducted in the public rights-of-way and demonstrably obstructive to emergency first responders, as required for Category B debris clearance. However, no such evidence was presented. As a result, the costs incurred for work by Bay Area Bobcat cannot be reimbursed by PA.¹⁰
- Sunrise Landscape: seven invoices totaling \$18,250.00, for work including tree removals, storm cleanup, and debris clearance at private homes and community property. These invoices include ineligible work, and the statements provide much less task detail to discern any eligible work performed. The tree removal provides no data on GPS location, tree root

ball, nor immediate threat, as required for documentation of such work.¹¹ Accordingly, the lump sum invoices for work by Sunrise Landscape cannot be reimbursed by PA.¹²

- Southern Land Services of Southwest Florida, Inc.: one invoice for \$2,400.00 to remove trees fallen from an asphalt trail.¹³ The invoice describes only ineligible work because an asphalt trail does not provide emergency access. Therefore, related debris clearance would be ineligible for a Category B project.

The Applicant also provided numerous photos, without labels or GPS locations. Some of the images depict small trees from the new subdivision toppled onto sidewalks. However, they do not depict obstructive debris blocking roadways, hydrants, or that would interfere with first responders. Not all costs related to responding to a disaster are eligible for PA reimbursement. Many costs will be the increased costs of providing services it usually delivers during or after disaster.¹⁴ Other costs are the responsibility of the homeowner.¹⁵

Since the Applicant has not shown it conducted debris clearance work required to address an immediate threat,¹⁶ nor isolated any such costs incurred, its claim is wholly ineligible. As such, FEMA is unable to provide PA funding for the contract costs totaling \$56,775.00.

Eligibility Determination: Partially Approved Denied

The Applicant did not demonstrate the eligibility of the work performed in response to an immediate threat or restored emergency access. Additionally, the lump sum invoices provided do not separate eligible costs from ineligible ones. As a result, FEMA is denying all project costs in the amount of \$56,775.00.

Notice of Right to Appeal:

The Applicant may appeal this determination to the Regional Administrator, pursuant to Title 44 of the Code of Federal Regulations § 206.206, Appeals. If the Applicant elects to file an appeal, the appeal must:

- 1) Contain documented justification supporting the Applicant’s position;
- 2) Specify the monetary figure in dispute; and
- 3) Cite the provisions in federal law, regulation, and/or policy with which the Applicant believes the initial action was inconsistent.

The appeal must be submitted to the Recipient, Florida Division of Emergency Management (FDEM), by the Applicant within 60 calendar days from the date that FEMA electronically transmits notification of its determination. The Recipient's transmittal of that appeal, with written recommendation, is required to be submitted to FEMA electronically within 120 calendar days from the date of the FEMA’s electronic notification of the determination that is the subject of the appeal. WORLD WELLNESS WEEKEND SEPT 19-21

WHAT IS WORLD WELLNESS WEEKEND?

This month, Arch Amenities partnered with World Wellness Weekend, a United Nations-recognized initiative that promotes a culture of wellness through free, inclusive activities.

The following pages show how North River Ranch embraced all five pillars of wellness—Sleep & Restoration, Nutrition & Nourishment, Vitality & Movement, Serenity & Mindfulness, and Purpose & Solidarity—through engaging programs that residents loved. Moving forward, we plan to align Fit Day with World Wellness Weekend each year.

BADGE!

We're also proud to share that North River Ranch earned the "Rise as a Wellness Hero" Badge, the highest recognition awarded, which will be shared with the United Nations.

FEEDBACK

POSITIVE OR NEGATIVE	COMMENT	ACTION TAKEN
<p>POSITIVE</p>	<p>Resident Kara Gorton - Hello! I just wanted to write to give you a compliment regarding last night's event. It was so fun! The things my husband and I appreciated most were the babysitting option, bar, and fun activity. We don't get to come to events as much because we have kids and don't want to pay for a babysitter so that was exciting to see! My kids had a blast and so did we... thanks so much for putting it together! I would really love to see more events like that... where kids are entertained while parents are having adult fun. NAILED IT!</p>	<p>Cori Morgan's Response: Thank you so much for your kind words—I'm so glad to hear that you and your family had such a great time at Date Night Out! We love hearing that both parents and kids were able to enjoy themselves.</p> <p>I'm happy to share that we plan to partner with the babysitting company for every NRR Date Night Out event moving forward (we host these once a month). That way, parents can enjoy adult time while the kids are safely entertained right nearby.</p> <p>We're so glad you were able to join us and look forward to seeing you at future events!</p>
<p>NEGATIVE</p>	<p>Resident Casey York - Hi! I'm reaching out in the hopes that you can help me with some safety concerns in the neighborhood. Lately I have been noticing cars drive right through the crosswalks in Brightwood when children are trying to cross safely and get to school. Yesterday 3 cars in a row drove through the crosswalk when children were trying to cross. It's a very scary situation and I'm not sure that our residents understand how crosswalks work. Would it be possible for you to write something on the FB page about crosswalk laws? Is there a police officer who could occasionally patrol our neighborhood? A child started to cross yesterday and was nearly hit by a truck that didn't stop to let him cross the road. It's so dangerous and I am just terrified of someone's child being hurt. Half these kids aren't even wearing a helmet either 😞 Thank you for your help!</p>	<p>Cori Morgan's Response: Hi - Thank you for reaching out and sharing your concerns. I completely understand how scary and frustrating this must be to witness, and I agree that safety is a top priority for all of our families here in North River Ranch.</p> <p>I send out weekly emails to residents every Friday with reminders and updates, and I'll be sure to include a note about crosswalk safety in this week's message. That will help remind residents to slow down, follow crosswalk laws, and be mindful of children walking or biking to school.</p> <p>We no longer use Facebook for community updates, but you are more than welcome to remind your neighbors through that channel if you'd like.</p> <p>Thank you again for bringing this to my attention and for being proactive about the safety of our community.</p>
